competition what your Facebook page says about you and much more Are You Smart Enough to Work at Google is a must read for anyone who wants to succeed in today s job market A neat little manifesto on interview technique Touring through a huge number of puzzles he provides a truly exhaustive account of all the factors you re meant to consider when thinking your way through the solutions Tackling them is incredibly gratifying when you re not withering under the baleful eye of a potential employer New Scientist Culture Lab For those in the job market Poundstone provides a handy survey of killer questions and how to answer them For others he offers the challenge of matching wits with people at America s most innovative companies The format affords Poundstone room to display his scientific knowledge mathematical fluency and knack for explaining the arcane in playfully precise sentences Bloomberg Businessweek *Complete Guide to Human Resources and the Law, 2017 Edition* Shilling,2016-10-21 The Complete Guide to Human Resources and the Law will help you navigate complex and potentially costly Human Resources issues You ll know what to do and what not to do to avoid costly mistakes or oversights confront HR problems legally and effectively and understand the rules The Complete Guide to Human Resources and the Law offers fast dependable plain English legal guidance for HR related situations from ADA accommodation diversity training and privacy issues to hiring and termination employee benefit plans compensation and recordkeeping It brings you the most up to date information as well as practical tips and checklists in a well organized easy to use resource The 2017 Edition provides new and expanded coverage of issues such as The Supreme Court held in March 2016 that to prove damages in an Fair LaborStandards Act FLSA donning doffing class action an expert witness testimony could be admitted Tyson Foods Inc v Bouaphakeo 136 S Ct 1036 2016 Executive Order 13706 signed on Labor Day 2015 takes effect in 2017 It requires federal contractors to allow employees to accrue at least one hour of paid sick leave for every 30 hours they work and unused sick leave can be carried over from year to year Mid 2016 DOL regulations make millions more white collar employees eligible for overtime pay by greatly increasing the salary threshold for the white collar exemption Updates on the PATH Act Protecting Americans From Tax Hikes Pub L No 114 113 The DOL published the fiduciary rule in final form in April 2016 with full compliance scheduled for January 1 2018 The rule makes it clear that brokers who are paid to offer guidance on retirement accounts and Individual Retirement Arrangements IRAs are fiduciaries In early 2016 the Equal Employment Opportunity Commission EEOC announced it would allow charging parties to request copies of the employer s position statement in response to the charge The Supreme Court ruled that in constructive discharge timing requirements run from the date the employee gives notice of his or her resignation not the effective date of the resignation Certiorari was granted to determine if the Federal Arbitration Act FAA preempts consideration of severing provisions for unconscionability *Capturing Loyalty* John A. Larson,Bennett E. McClellan,2017-09-15 Written by two highly successful business coaches and management consultants this book explains how to improve profitability by focusing on turning a business s already satisfied customers into highly satisfied customers by removing their sense of risk The authors

also provide a fail safe method for identifying the risks inherent in your business Every business owner or manager knows that creating satisfied customers is key to establishing customer loyalty and building a business But many are applying the wrong strategy in trying to achieve customer loyalty instead of focusing on consistent execution of the company's value proposition on a day to day basis they waste their efforts constantly chasing after new customers or trying to address every complaint Using research to demonstrate how striving to turn merely satisfied customers into highly satisfied customers significantly affects loyalty behaviors and in turn boosts profits Capturing Loyalty lays out a new approach to a very old problem Additionally it presents a blueprint for identifying the perceived risks to consumers inherent in your business many of which are not readily apparent to the casual or even invested observer and explains how to minimize those risks Authors Larson and McClellan explain why trying to ensure 100% customer satisfaction is not the path to achieving customer loyalty and that the reality is that customer dissatisfaction is rarely the result of an error a business has made two concepts that many initially find counterintuitive You'll learn how to offer your company's products and services in a manner that creates highly satisfied customers understand the true value and vast economic benefits of having highly satisfied customers and see why highly satisfied customers are actually cheaper to serve than others The book presents a clear and comprehensive plan for creating a loyalty initiative suitable to your business and cascading it through your entire organization from the C suite to the line employees
