Asian Popular Culture in Transition Lorna Fitzsimmons, John A. Lent, 2013 Examines contemporary consumption practices in South Korea China India Japan and Singapore and both updates and extends popular culture studies of the region Through an interdisciplinary lens this collection of essays explores how recent advances and shifts in information technologies and globalization have impacted cultural markets fashion the digital generation mobile culture femininity matrimonial advertising and a film actress image and performance Publisher's description **China-India Relations** Kanti Bajpai, Jing

Huang, Kishore Mahbubani, 2015-12-14 The question of whether China and India can cooperate is at the core of global geopolitics As the two countries grow their economies the potential for conflict is no longer simply a geopolitical one based on relative power influence and traditional quarrels over land boundaries This book assesses the varying interests of China and India in economics environment energy and water and addresses the possibility of cooperation in these domains Containing analyses by leading authorities on China and India it analyses the nature of existing and emerging conflict describes the extent of cooperation and suggests possibilities for collaboration in the future While it is often suggested that conflict between the giants of Asia is the norm there are a number of opportunities for cooperation in trade international and regional financial institutions renewable energy development and climate change and shared rivers This book will be of interest to researchers in the fields of Asian Studies International Relations and Asian Politics *Taiwan in Net-Zero*

Transition Kuei Tien Chou, 2025-03-04 Chou explores the structural dilemmas mindsets challenges and solutions of the net zero transition in Taiwan Using Taiwan as a representative example of the structural challenges faced by East Asian countries in achieving the global net zero carbon emission goal the book examines the proposition of developmental environmentalism in the context of East Asia Taiwan faces diverse challenges such as internal and external net zero carbon emission pressures geopolitical socioeconomic competition an internal carbon intensive industrial structure and the path dependence of the brown economy Within this framework the developmental net zeroism perspective from the vantage point of developmental environmentalism and the distinctive characteristics of Taiwan offers insights into the climate governance particularities of East Asian countries as high carbon manufacturing systems and as part of the global supply chain A valuable read for researchers and policymakers concerned about the political economic and social situations in Asia and Taiwan affecting the net zero transition *Contemporary Culture and Media in Asia* Daniel Black, Olivia Khoo, Koichi

Iwabuchi, 2016-09-23 The study of Asian culture media and communications is an area that has developed rapidly over the past two decades This rapid development has led to the deployment of diverse scholarly approaches while simultaneously raising important questions regarding the extent to which the use of key terms such as nation citizenship and modernity must be modified to reflect the specificity of an Asian context Furthermore the irrepressible flows of popular cultural forms and the enthusiastic adoption of new communications technologies across the region demand approaches that can accommodate

the dynamism and diversity of Asian culture and media Contemporary Culture and Media in Asia brings together leading scholars from Asia North America and Australia to address questions related to these challenges producing new insights and frameworks that can be productively utilized by students and scholars working in the field

Handbook of Japanese Media and Popular Culture in Transition Forum Mithani, Griseldis Kirsch, 2025-10-01 The Handbook of Japanese Media and Popular Culture in Transition brings together new research and perspectives on popular media phenomena as well as shining a spotlight on texts that are less well known or studied Organized into five thematic sections the chapters span a diverse range of cultural genres including contemporary film and television postwar cinema advertising popular fiction men's magazines manga and anime karaoke and digital media They address issues critical to contemporary Japanese society the politicization of history authenticity and representation constructions of identity trauma and social disaffection intersectionality and trans nationalism Drawing on methods and approaches from a range of disciplines the chapters make explicit the interconnections between these areas of research and map out possible trajectories for future inquiry As such the handbook will be of value to both novice scholars and seasoned researchers working within and or beyond the Japanese media studies remit

The Politics of Japanese Language in Postcolonial Korea Jinsuk Yang, 2026-02-20 This book examines the politics of Japanese language learning in postcolonial Korea from 1945 through the 1970s revealing the ways in which language functioned as a site of negotiations over identity social mobility and historical memory By tracing how Japanese continued to circulate in specific social fields shaping and being shaped by gendered and classed subject positions this book counters the linear narrative of national linguistic history that assumes the immediate and complete erasure of the Japanese language in the public sphere Featuring analysis from contemporary articles from major Japanese and Korean newspapers it provides a comprehensive view of the discourses around Japanese language learning in postcolonial Korea Through the application of a critical discourse analysis CDA as a primary methodological framework it highlights how meanings are constructed whose perspectives are legitimized or silenced and what kinds of social roles and hierarchies are reinforced or challenged Revealing how the Korean language became symbol to overcome its colonial history reclaim the language territory bond and ultimately transform Korea into a modern nation state this will appeal to students and scholars of Korean history culture and language
