

An aerial photograph of a large ship's hull, viewed from above. The hull is dark and has a prominent compass rose painted on its surface. The compass rose is white with black markings and a central needle. The ship is moving through dark water, and the hull's lines are clearly visible. The overall image has a high-contrast, somewhat grainy quality.

Asias Next Giant South Korea And Late Industrialization Oxford Paperbacks

Lili Yan Ing, Dani Rodrik

Asias Next Giant South Korea And Late Industrialization Oxford Paperbacks:

Asia's Next Giant Alice Hoffenberg Amsden,1989 South Korea has been quietly growing into a major economic force even challenging Japan in some industries This growth may be seen as an example of late industrialization and this book discusses this point

Asia's Next Giant Alice Hoffenberg Amsden,1989 This study demonstrates why South Korea has become the most successful in a series of developing countries that have succeeded through borrowing foreign technology rather than by generating new products or processes

Asia's Next Giant Alice Hoffenberg Amsden,1989 **Asia's Next Giant** Alice H. Amsden,1989-09-07 The important book contends that South Korea s phenomenal economic growth is attributable to late industrialization the process in which a nation s industries learn or borrow from other innovator nations rather than innovate themselves Amsden focuses on the principle of reciprocity and compares South Korea s experience to that of Japan and other late industrializing nations

The New Global Economic Order Lili Yan Ing,Dani Rodrik,2025-07-30 As anti globalization reshapes the world the divide between East and West developed and developing countries and North and South deepens creating new challenges for economic policy and global governance This book provides a nuanced and balanced analysis of economic transformation over the past century exploring critical themes such as structural change resource mobilization and the future of global growth Featuring insights from leading economists this volume offers expert commentary on economic transformation development strategies and the evolving global order It further examines into pressing governance questions surrounding AI green technology and the financing of health crises future pandemics and energy transitions A vital resource for economists policymakers and researchers this book provides strategic guidance on navigating global shifts and mobilizing resources to drive sustainable development in an emerging new global economic order

The Political Economy of Chinese FDI in Africa Ayalew Mamo,2024-12-27 This book provides unique insight into Chinese foreign direct investment FDI in Africa With a particular focus on Ethiopia it examines the impact of FDI on Africa s industrial and manufacturing sector and the potential for productive FDI to advance industrialisation and create jobs for a large and young labour market The creation of government policies and an institutional framework for the management of FDI is also examined alongside lessons that can be learnt from policies that were less successful This book offers a comparative perspective on FDI to highlight the forms of government intervention that maximise the economic benefits of FDI It will be relevant to students researchers and policymakers interested in development economics and the political economy

Emerging States at Crossroads Keiichi Tsunekawa,Yasuyuki Todo,2018-11-30 This book is open access under a CC BY NC ND license This volume analyzes the economic social and political challenges that emerging states confront today Notwithstanding the growing importance of the emerging states in global affairs and governance many problems requiring immediate solutions have emerged at home largely as a consequence of the rapid economic development and associated sociopolitical changes The middle income trap is a major economic challenge faced by emerging states This

volume regards interest coordination for technological upgrading as crucial to avoid the trap and examines how various emerging states are grappling with this challenge by fostering public private cooperation voluntary associations of market players and or social networks Social disparity is another serious problem It is deeply rooted in history in the emerging states such as South Africa and many Latin American countries However income distribution is recently deteriorating even in East Asia that was once praised for its high economic growth with equity Increasing pressure for political opening is another challenge for emerging states This volume argues that the economic social and political problems are interwoven in the sense that the emerging states need to build political consensus in order to tackle the economic and social difficulties Democratic institutions have not always been successful in this respect

Industrial Dynamics in China and India M. Ohara,M. Vijayabaskar,H. Lin,2011-09-20 This book is one of the first fully fledged studies to examine the next world class industrial leaders emerging from China and India exploring the domestic and international factors that have led to their rise and comparing their experiences with other East Asian late comers such as Japan

China's Automotive Modernization G. Chin,2010-01-29 As a window for understanding the relationship between globalization and the state s pursuit of national industrial development this book examines how and why the Chinese government succeeded in leveraging China s international competitive advantages to modernize the country s automotive industry

Developmental Politics in Transition C. Kyung-Sup,B. Fine,L. Weiss,2012-08-31 Blending theory and case studies this volume explores a vitally important and topical aspect of developmentalism which remains a focal point for scholarly and policy debates around democracy and social development in the global political economy Includes case studies from China Vietnam India Brazil Uganda South Korea Ireland Australia
