Asking For Directions Facing The 7 Crossroads Of A Mans Life:

Asking for Directions Richard Grehalva, 2013-07-22 What does it mean to be a man Difficult question to answer isn't it This is my story and my experiences as I was looking for answers to this question Some men will face a crossroad and get stuck Some men will continue on the same path that they have always traveled A few men will get to a place where it has gotten bad enough to want to walk down a different road My reason for writing this book is to discuss the following What are these crossroads What are the signs What are the steps to follow a different road All I can do is share what I experienced and what works and what does not work I also have the teachings I learned from hundreds of men that I have been blessed to be with and work with over these years I share with you what the Elders taught me and what I have learned from over 20 years of leading men's retreats all over the United States Along the way I will pass on some of my dad Greywolf's teachings I'm not a therapist physiologist pastor social worker or part of the healthcare community What I am is a man who heard his wake up call And with the help of a group of men began a new journey into becoming a different man Part of my call was to become a men's retreat leader author speaker teacher facilitator and coach After many years of doing my own work and leading men's retreats I discovered there are 7 crossroads a man will face in his life I do not claim to have all the answers because I cannot provide them
