Assessing Spiritual Needs:

Assessing Spiritual Needs George Fitchett, 2002 How do pastors chaplains and caregivers assess the spiritual well being and needs of the people they minister to George Fitchett presents a model for spiritual assessment that he and his colleagues developed illustrated with case studies He reviews a number of other models and provides a six part framework for evaluating them Pastoral caregivers find that the effectiveness of their ministry is enhanced when they are able accurately to identify problem areas and needs in the spiritual lives of the people with whom they work This book addresses many of the questions pastoral caregivers have raised about this timely topic and provides an informed and balanced approach for making decisions about spiritual assessment models and tools George Fitchett is associate professor and director of research and spiritual assessment in the Department of Religion Health and Human Values at Rush Presbyterian St Luke s Medical Center Chicago

Assessing Spiritual Needs George Fitchett, 1993 Spiritual Assessment in Healthcare Practice Professor Wilfred McSherry, Dr Linda Ross, 2010 There has been a groundswell of interest in and recognition of the importance the spiritual part of a person s life has to play in coping with recovery from illness as well as in the attainment and maintenance of health wellbeing and quality of life Addressing the spiritual part of life is now a key part of the health care professional s job but this raises the question of how this part of life can be assessed and catered for and how health care professionals might be equipped for this task Wilf McSherry and Linda Ross s new edited text tackles this very issue with contributors from different disciplines including nursing medicine theology and chaplaincy and countries UK USA Malta offering their own perspectives on this important part of care Each chapter therefore has its own unique style but is concerned with one outcome to see spiritual assessment and care as an integral part of holistic care whatever the setting Contents include Introduction Linda Ross Wilfred McSherry Why the increasing interest in spirituality within healthcare Linda Ross The meanings of spirituality a multi perspectival approach to the spiritual John Swinton Recognising spiritual needs Aru Narayanasamy Spiritual Assessment definition categorisation and features Wilfred McSherry The spiritual history an essential element of patient centred care Christina Puchalski Indicator based and value clarification tools Donia Baldacchino Assessing and improving the quality of spiritual care Mark Cobb Dilemmas of spiritual assessment Chris Johnson Considerations for the future of Spiritual Assessment Linda Ross and Wilf McSherry

Assessing Spiritual Needs Antonia Van Loon, 2001 **Spirituality in Pastoral Counseling and the Community Helping Professions** Charles Topper, 2003 An enlightening guide to bringing spirituality into the helping professions This unique handbook will help you make the journey that will turn spirituality into the touchstone of your practice For too long spirituality has been a skeleton in the closet of many practitioners but now there is a growing movement to integrate the vital beliefs of clients into the healing process Spirituality in Pastoral Counseling and the Community Helping Professions addresses the core values of the movement providing you with a step by step process you can follow to increase empathy and healing while building on the

foundation of spirituality Each chapter includes penetrating reflection questions to help you better understand your own spiritual perspective and a list of suggested resources to help you learn more Spirituality in Pastoral Counseling and the Community Helping Professions investigates the best tools for spiritual assessment how ethnic background influences spirituality the language of the sacred in daily life how people can develop greater empathy integrating spirituality into community the importance of ritual As author Dr Charles J Topper says Spirituality is the integrating core element of human experience Reading this book both clients and care providers will learn to explore their own vibrant spirituality a powerful innate source of strength and healing Spirituality in Pastoral Counseling and the Community Helping Professions aims to make spirituality more accessible to everyone Spirituality in Pastoral Counseling and the Community Helping Professions shows how you can take an active approach to integrating spirituality into your profession helping the people around you see not just their problems but the connections between every facet of their lives Complete with figures assessment scales and surveys and a thoughtful bibliography that points the way to further reading this book is an important resource for professional growth and spiritual renewal

Spiritual Assessment David R. Hodge, 2003 Publisher's description A growing consensus exists among helping professionals accrediting organizations and clients regarding the importance of spiritual assessment The development of specific spiritual assessment instruments however has lagged behind this emerging interest Further the varied needs and interests of clients suggest the importance of a variety of assessment methods rather than a one size fits all approach This practice oriented text describes a complementary set of assessment instruments spiritual histories spiritual lifemaps spiritual ecomaps spiritual genograms and spiritual ecograms In addition it presents a variety of empirically based interventions that flow from each instrument along with several case examples for illustration

Spiritual Needs in Research and Practice Arndt Büssing, 2021-05-28 Based on information gathered from the internationally used Spiritual Needs Questionnaire this book offers analyses of the spiritual and existential needs among different groups of people such as the chronically ill elderly adolescents mothers of sick children refugees patients relatives and others The theoretical background specific empirical findings and the relevance of addressing spiritual needs is discussed by experts from different professions and cultural contexts Supporting a person's spiritual needs remains an important task of future healthcare systems that wish to more comprehensively care for the healthcare needs of patients and of religious communities to ensure that spiritual concerns of all persons independent of their religious orientations are met in and outside healthcare settings

Spiritual Growth and Care in the Fourth Age of Life Elizabeth MacKinlay, 2006-02-08 This book explores the spiritual dimension of ageing and investigates the role of pastoral and spiritual care in helping the frail elderly cope with end of life issues Focusing on the experience of nursing home residents and anecdotes gathered in interviews MacKinlay sensitively presents the struggles facing older people in need of care
