There was clearly an information gap I needed a quick start guide with concise explanations, tips and tricks, and lots of practical everyday recipes. This guide fills all those gaps, and I know from experimentation that all my tips, tricks, and amazing recipes really work. You will be successful too. This book is designed to provide a practical and simplified guide to the ketogenic diet in easy-to-understand language that will facilitate a successful start. The book is organized into three parts. Part 1 provides a foundation of information to aid in understanding the basics of the ketogenic diet, how to get into ketosis, and how to maintain it.
