AMERICA IS ON THE BRINK OF COLLAPSE WHAT WILL YOU DO TO SAVE YOUR COUNTRY America has suffered some big losses eroding morals a Godless culture and a declining national spirit These losses have corrupted the very fabric of our once stalwart nation coalescing into social and political overthrow with anarchy raging in the streets **Chaplains of the Revolutionary War** Jack Darrell

Crowder,2017-09-20 There is a time to preach and a time to fight And now is the time to fight With those words the Rev John Muhlenberg stepped from his pulpit removed his clerical robe revealing the uniform of a Colonial officer and marched off to war Many of the ministers who became chaplains in the Continental Army during the Revolutionary War carried muskets while ministering to the spiritual needs of the troops Their eyewitness accounts describe the battles of Lexington and Concord life on a prison ship the burning of New York City the Battle of Rhode Island the execution of Major Andre and many other events **Prophetic Leadership** Wade Jensen DSL MDiv,2025-08-11

Prophetic Leadership highlights prophetic leaders who ve been hard at work since God placed humankind on the earth to take dominion Genesis 1 26 28 New King James Version NKJV Prophetic leaders exist as another type of leader through Scripture and history They receive insight through natural or supernatural means so they know exactly how to advance the organizations they serve Every generation has prophetic leaders By examining the life of Joseph the practice of Jeremiah and other Scriptures referencing prophecy

prayer strategy timing and seasons the author reveals a detailed blueprint of what it means to be a prophetic leader He explores the impact Joseph and Jeremiah had on others as well as how to apply the principles of prophetic leadership to achieve goals and help others Prophetic leaders can change the fate of a small enterprise a large company or entire nations it all depends on what the prophetic leader is trying to accomplish With this book you ll understand the importance of prophetic leaders and learn how to identify and empower them to thrive in the future **Churches Can't Talk About It Because It's Political**

R. David Stewart,2022-04-22 In Acts chapter 22 the Apostle Paul uses his political status as a Roman citizen to avoid being flogged Today pastors all across America will admit that we are now a Post Christian nation and even that the soft persecution becoming increasingly rampant every day bodes physical and violent persecution on the horizon but they fail to do anything about it because all the cultural ills have been tossed into the political arena and everyone knows churches can t talk about it if it s political This book dispels that lie and encourages Christians to overwhelm the gates of hell by using the political process to our advantage **Losing Our Religion** Russell Moore,2023-07-25 Former Southern Baptist pastor and Christianity Today editor in chief Russell Moore calls for repentance and renewal in American evangelicalism American evangelical Christianity has lost its way While the witness of the church before a watching world is diminished beyond recognition congregations are torn apart over Donald Trump Christian nationalism racial injustice sexual predation disgraced leaders and covered up scandals Left behind are millions of believers who counted on the church to be a place of belonging and hope As greater and greater numbers of younger Americans bleed out from the church even the most rooted evangelicals are wondering Can American Christianity survive In **Losing Our Religion** Russell Moore calls his fellow evangelical Christians to conversion over culture wars to truth over tribalism to the gospel over politics to integrity over influence and to renewal over nostalgia With both prophetic honesty and pastoral love Moore offers a word of counsel for how a new generation of disillusioned and exhausted believers can find a path forward after the crisis and confusion of the last several years Believing the gospel is too important to leave it to hucksters and grifters he shows how a Christian can avoid both cynicism and complicity in order to imagine a different hopeful vision for the church The altar call of the old evangelical revivals was both a call to repentance and the offer of a new start In the same way this book invites unmoored and discouraged Christians to step out into an uncertain future first by letting go of the kind of cultural politicized status quo Christianity that led us to this moment of reckoning Only when we see how lost we are we can find our way again Only when we bury what s dead can we experience life again Only when we lose our religion can we be amazed by grace again ***Fed Up*** Larry McCall,2021-02-08 Join the author as he explores the four God ordained institutions and their responsibilities in our modern day America The future of our country is in jeopardy The government over reach in our everyday lives begins within these four institutions and their failure to perform their responsibilities God has established these institutions at creation and through centuries have abdicated these responsibilities to the government The author gives us a way to reclaim these institutions for His kingdom

and the healing of our country The author spells out for us the four institutions family community the church and government and how the enemy has infiltrated each institution and corrupted them Walk with the author to bring each back into alignment with God s purpose
