The Land and Fresh Water Shells of the British Isles Richard Rimmer, 2017-12-13 Excerpt from *The Land and Fresh Water Shells of the British Isles With Illustrations of All the Species* ON several occasions I have been taken or as I would fain hope mistaken for a lunatic On the last occasion I had wandered forth with the twofold object of escaping for a time from the din and turmoil of our British Babylon and of enjoying a ramble in search of shells Pursuing a path that led across some meadows I came upon a little band of working men who seated under a hedge were spending their Saturday afternoon holiday in the full enjoyment of the fragrant weed and of an occasional pull at a soda water bottle containing a liquid not unlike water in colour and very like Old Tom in fragrance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Geography of the British Isles (Classic Reprint)** Lionel William Lyde, 2018-02-07 Excerpt from *A Geography of the British Isles* In this edition the paging is and the text is substantially the same as in the Fifth Edition but a number of small additions have been made and statistics have been brought into line with results published last year About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Classical Numismatic Group XXIV* , **Three Weeks in the British Isles (Classic Reprint)** John U. Higinbotham, 2017-09-17 Excerpt from *Three Weeks in the British Isles* It is the fashion to smile at the idea of seeing anything in a foreign country in a shorter time than three months This has constructed a barrier across the road to broader culture and accomplishment of

many a person As a matter of fact more can be seen abroad in three weeks than can be seen at home in an entire summer Distances are shorter between noteworthy objects The unusual grips the attention at every turn About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

An Itinerant in the British Isles (Classic Reprint) William Wesley Walker, 2016-10-07 Excerpt from An Itinerant in the British Isles When there are so many books of travel clamoring for the public eye there may seem a degree of temerity in venturing another into the arena We do not claim for our modest little volume any distinctive merit We do not hold it up as a model The reader may find much to criticize but we hope he may find something to interest and please and we crave his indulgence Our only excuse for the publication of the little volume is the desire to preserve in this form the record of a visit to the home land so pregnant with pleasure a desire stimulated by the requests of friends for copies of the book as soon as in print About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
