

BRITISH CULTURAL IDENTITIES

SIXTH EDITION

EDITED BY MIKE STORRY AND PETER CHILDS

British Cultural Identities

David Morley, Kevin Robins

British Cultural Identities:

British Cultural Identities Mike Storry, Peter Childs, 2013 In *British Cultural Identities* Mike Storry and Peter Childs assess the degree to which being British impinges on the identity of the many people who live in Britain. They analyze contemporary British identity through the various and changing ways in which people who live in the UK position themselves and are positioned by their culture today. Using examples from contemporary and popular culture, each chapter covers one of seven intersecting themes: place and environment, education, work and leisure, gender, sex and the family, youth culture and style, class and politics, ethnicity and language, religion and heritage. This new edition is fully updated to include Britain's relationship with the wider world, changes in university education and testing in schools, the trend towards electronic entertainment and social networking, the new impact of class and the culture of political leaking.

British Cultural Identities Mike Storry, Peter Childs, 2022-08-31 The sixth edition of *British Cultural Identities* assesses the degree to which being British impinges on the identity of the many people who belong to contemporary Britain. Twenty-first century British identity is analysed through the various and changing ways in which people who live in the UK position themselves and are positioned by their culture. Using examples from contemporary and popular culture, each chapter covers one of eight intersecting themes, including places and peoples, education, work and leisure, gender, sex and the family, youth culture and style, class and politics, ethnicity and language, religion and heritage. This new edition is fully updated to include the latest information on Britain in the 2020s. It explains the influences that shape British identities and outlines the important current debates stemming from cultural, social and political change. Considering contemporary touchstones and recent national statistics, the contributors place modern British life in the context of the activities, events and society found in the UK across recent decades. The book is the perfect introductory text for students of contemporary British society, containing photographs, tables, timelines, discussion questions, cultural examples and suggestions for further resources at the end of each chapter.

British Cultural Identities Mike Storry, Peter Childs, 2016-11-25 *British Cultural Identities* assesses the degree to which being British impinges on the identity of the many people who live in Britain, analysing contemporary British identity through the various and changing ways in which people who live in the UK position themselves and are positioned by their culture today. This new edition is updated to include discussion of key events and societal shifts such as the 2016 Brexit referendum, the 2015 British General Election, the growing emphasis on devolution, the 2012 Olympic Games, the new generation of royals, UKIP and the Euro crisis, the response to fundamentalism and the proliferation of social networking. Using examples from contemporary and popular culture, chapters cover a range of intersecting themes, including place and environment, education, work and leisure, gender, sex and the family, youth culture and style, class and politics, ethnicity and language, religion, heritage. Accessible in style, illustrated with photographs, tables and timelines, and containing discussion questions, cultural examples and suggestions for further resources at the end of each chapter, *British Cultural Identities* is the perfect introductory text for

students of contemporary British society **British Cultural Identities** Mike Storry,1997 A clear introduction to British culture and identity giving readers an insider's view on the way British people perceive themselves and are positioned by their culture Tables photo graphs and exercises make this an ideal text British Cultural Identities Mike Storry,1997

British Cultural Studies Graeme Turner,2005-08-18 This third edition of a popular text offers an accessible overview of the central themes language semiotics Marxism and ideology individualism subjectivity and discourse Cultural Identities and the Aesthetics of Britishness Dana Arnold,2004-07-02 This book examines British imperial colonial and postcolonial national identities within their political and social contexts By considering the export adoption and creation of such cultural identities these essays show how nationhood and nationalism are self consciously defined tools designed to focus and inspire loyalty The contributors present these ideas with particular reference to English cultural identity and its interaction with the Empire They examine the national imperial and colonial aesthetic how architecture landscape painting sculpture and literature were used appropriated and re appropriated in the furtherance of social and political agendas and how this impacted on the making of Britishness in all its complexities It is demonstrated that not only did the dominant aesthetic culture reinforce the dominant political and social ideology it also re presented and re constructed the notion of British national identity **Inventing and Resisting Britain** Murray Pittock,1997-05-21 This book examines the difficulties and challenges which faced attempts to create a British identity Taking its perspective from the cultural social and political margins of the British Isles it demonstrates how fragile the supposed political consensus of the eighteenth century was To read it is to reevaluate our understanding of the culture of England in relation to other societies of these islands *British Cultural Studies* David Morley, Kevin Robins,2001 British Cultural Studies includes over thirty essays written by expert contributors covering almost every aspect of culture and identity in Britain today and addressing the current transformations of British culture and identity in the context of globalization The opening section of the book deals with different conceptions of Britishness and identity including English Scottish Irish Welsh Asian and Black British identities Section Two then analyses the interplay between tradition and heritage in contemporary culture whilst the final section looks at the world of lifestyle groups subcultures and cultural politics and the way in which they have come in many ways to substitute for notions of Britishness **Inventing and Resisting Britain** Murray Pittock,1997 This book examines the difficulties and challenges which faced attempts to create a British identity Taking its perspective from the cultural social and political margins of the British Isles it demonstrates how fragile the supposed political consensus of the eighteenth century was To read it is to revalue our understanding of the culture of England in relation to other societies of these islands
