Summary of Elizabeth Lesser's Broken Open Everest Media, 2022-04-03T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The soul is the river of energy that underlies the activity of all life It is real and it lives on after our bodies die If you are in the habit of negating the longings of your soul or if the idea of having a soul makes you nervous then consider Rumi s advice When you do something from your soul you feel a river moving in you 2 The stories in this part of the book are about what it takes to listen to and respond to the call of your soul If you regularly paint or sing or write poetry or listen to uplifting music or if you meditate and pray you know what it feels like when your soul and you are in contact 3 When Route 25 leaves the mountains of northern New Mexico the city of Albuquerque suddenly appears like a mirage I had never visited Albuquerque and I went looking for a psychic 4 The Road of Truth was the home of The Mouthpiece of Spirit The psychic there had the most hair I had ever seen She had a dusky voice and a regional twang She reminded me of Mae West I was afraid to ask her for life direction because I knew that I would not be able to solve my problem using the same mixed up thinking that got me into it in the first place

Marrow Elizabeth Lesser, 2016-09-20 The author of the New York Times bestseller Broken Open returns with a visceral and profound memoir of two sisters who in the face of a bone marrow transplant one the donor and one the recipient begin a quest for acceptance authenticity and most of all love A mesmerizing and courageous memoir the story of two sisters uncovering the depth of their love through the life and death experience of a bone marrow transplant Throughout her life Elizabeth Lesser has sought understanding about what it means to be true to oneself and at the same time truly connected to the ones we love But when her sister Maggie needs a bone marrow transplant to save her life and Lesser learns that she is the perfect match she faces a far more immediate and complex question about what it really means to love honestly generously and authentically Hoping to give Maggie the best chance possible for a successful transplant the sisters dig deep into the marrow of their relationship to clear a path to unconditional acceptance They leave the bone marrow transplant up to the doctors but take on what Lesser

calls a soul marrow transplant examining their family history having difficult conversations examining old assumptions and offering forgiveness until all that is left is love for each other's true selves. Their process before, during, and after the transplant encourages them to take risks of authenticity in other aspects of their lives. But life does not follow the storylines we plan for it. Maggie's body is ultimately too weak to fight the relentless illness. As she and Lesser prepare for the inevitable, they grow ever closer as their shared blood cells become a symbol of the enduring bond they share. Told with suspense and humor, Marrow is joyous and heartbreaking, incandescent and profound. The story reveals how even our most difficult experiences can offer unexpected spiritual growth. Reflecting on the multifaceted nature of love—love of others, love of self, love of the world—Marrow is an unflinching and beautiful memoir about getting to the very center of ourselves. **Birthered in**

Prayer Kim Barker, Leigh Harrison, Linda de Meillon, 2016-03-01 A hopeful, grace-filled companion for the 9 months of pregnancy. *Birthered in Prayer* uniquely addresses and supports the spiritual journey of mothers-to-be. As the authors' moms say, it's the book they longed to read but never found while they were pregnant. Filled with lively, thoughtful, honest, and been-there stories, this book deals with not only the emotional and physical facets of this overwhelming life experience but also the spiritual needs. From the moment you know you're pregnant, you enter a time of transition, a time of waiting and preparing as you anticipate the arrival of the new little person who will share your life. Pregnancy can be a God-given stopping point, an opportunity to reflect on our lives, values, and relationships, to reevaluate our choices and priorities, and to make some adjustments. Write authors Barker, de Meillon, and Harrison. Even more importantly, pregnancy can offer an occasion to draw closer to God and encounter God in a new way. Each chapter includes honest, humorous, and touching stories, questions to think about, journaling prompts, and prayer exercises. *Birthered in Prayer* gives you a safe place to acknowledge your thoughts and feelings as you read wisdom from scripture and stories from mother-sages. It focuses not just on preparing for childbirth but also on motherhood. The authors invite you on a journey of awareness and growth that will build a strong foundation for your life and your family. As Barker, de Meillon, and Harrison say, it takes courage to become aware, to encounter, and to be encountered by God. And it takes courage to be a mother. **Resilience**, 2021-03-17

In difficult circumstances, conflicts, and life-changing events, we often need inspiration and support to move forward. The root of the word resilience means to rebound or to bounce back, which implies something happened that was out of our control and required us to recover. Drawing from a variety of sources, this Little Book looks at how we learn to recover and how we can lead others to do the same. This series of Little Books of Leadership is designed to foster conversations within congregations around certain principles and practices that nurture community and growth in the ongoing life of the church. **The Fear Cure** Lissa Rankin, M.D., 2016-03-08 Not many people in the medical world are talking about how being afraid can make us sick, but the truth is that fear left untreated becomes a serious risk factor for conditions from heart disease to diabetes to cancer. Now Lissa Rankin, M.D., explains why we need to heal ourselves from the fear that puts our health at risk and robs our lives of joy, and shows us how fear can

ultimately cure us by opening our eyes to all that needs healing in our lives Drawing on peer reviewed studies and powerful true stories *The Fear Cure* presents a breakthrough understanding of fear s effects and charts a path back to wellness and wholeness on every level We learn How a fearful thought translates into physiological changes that predispose us to illness How to tell true fear the kind that arises from a genuine threat from false fear which triggers stress responses that undermine health How to tune in to the voice of courage inside our Inner Pilot Light How to reshape our relationship to uncertainty so that it s no longer something to dread but a doorway to new possibilities What our fears can teach us about who we really are At the intersection of science and spirituality *The Fear Cure* identifies the Four Fearful Assumptions that lie at the root of all fears from the sense that we re alone in the universe to the belief that we can t handle losing what we love and shifts them into Four Courage Cultivating Truths that pave our way to not only physical well being but profound awakening Using exercises from a wide range of mind body practices and spiritual traditions Dr Rankin teaches us how to map our own courage cultivating journey write a personalized Prescription for Courage and step into a more authentic life

Thriving in the Flow of Single Terry Lowey,2014-12-19 *Thriving in the Flow of Single* takes on the tried and not so true assertion in our culture that the life of a woman in a partner relationship has more value than that of a single woman Refusing to succumb to the programming driven negative self talk of a patriarchal upbringing the author sets out on a journey of self discovery liberation and authentic meaning Follow her unedited uncensored journal as she painstakingly examines and releases limiting beliefs that have not served her seeking and sourcing a broader abundant inclusive and expansive experience of deep love

The Calm Center Steve Taylor,2015-04-27 Discover the Essence of Who You Really Are These powerful meditations and poetic reflections will comfort inspire and gently bring you out of the hectic day to day and back to the bedrock of peace and even joy of your true essential and authentic self By encouraging you to see the limitations of your everyday conditioned personality Steve Taylor empowers you to step outside of it so you can breathe the fresh air of freedom His words will guide you on a journey through the landscape of wider awareness pointing out the obstacles and landmarks along the way to enlightenment A profound modern spiritual text with the power to transmit awakening *The Calm Center* will help you open to the deepest and highest experiences of a life fully lived
