Bulletproof Marriage English Edition:

Bulletproof Marriage - English Edition Renato & Cristiane Cardoso,2015-01-13 Marriage was God's idea He decided that man and woman should be one flesh Furthermore the Bible says God is love Unfortunately many couples never learned to love each other A feeling passion or some other influence brought them together but they never learned how to study or explore each other or discover what makes them happy When you do not know another person it is impossible to love them because you do not know what pleases or annoys them their dreams and struggles or how they think In such ignorance you will make many mistakes in your relationship and so cause many problems These problems will cause you to withdraw even though you are married and were in love at one time If you have been wondering Do I still love my husband wife Did I marry the wrong person Why is my partner so cold to me Why do we love each other but can't stay together How can I make sure my marriage lasts How can I live with a person who is so difficult Why do our problems go away but then come back worse than before Is my marriage always going to be about hardships or will I find happiness one day Cheer up You will learn how to love intelligently and how to be happy with your spouse even if he or she acts like King Kong Bulletproof Marriage
