The Power of the Spoken Blessing Sylvia Villalpando, 2017-03-25 Words have power in matters of life and death The spoken blessing is a life giving source of hope from one who has it to one who doesn t the most qualified people to bless and encourage are those who themselves have been encouraged by God The Lord s mercies are new every morning and each day we have a choice We can use our words to criticize what is or use them to build what might be In blessing we have the choice to focus on the positive not on the negative When we give a blessing to someone they receive value acceptance hope and the treasure of the gift of blessing which can turn into a life changing moment The spoken blessing allows you to see the goodness in everyone which makes weaknesses seem small and making other s joy your own then wanting to help lessen the load and soften the sorrows of others This book is about learning to be aware that the spoken blessing has an immediate effect but also a long lasting support in that person s future and it only costs a little of your time and you benefit as well Blessing someone doesn t have to be a certain prescribed set of words although it is a good starting place Being a blessing comes in our relationships with others in our actions of kindness our actions of compassion our actions of faithfulness and our actions of joy with those around us Being a blessing is designed to be a vehicle for the Spirit of God to change every environment you walk into You never can tell what type of influence you may make on another s life by your actions or lack of action Consider this fact in your journey thru life The whisper of the Father s heart is to embrace people with the Father s love When you speak blessings on those who need a blessing the Father s love flows from His heart through you to them The spoken blessing has a way of bringing joy and creates belonging in a community where one is accepted noticed and valued Our words have great influence in the lives of those around us and spoken blessings can bring hope encouragement and direction to our families friends and others Many people are experiencing deepening relationships and spiritual encouragement as they discover the power of spoken blessings It is one thing to be convinced that blessing is powerful and quite another to know how to put it
