This book does a wonderful job of explaining how to use your iPhone from the minute you get it. It can teach the older generation how to send text messages, add new contacts, make emergency calls, listen to their all-time favorite songs, make video calls, sync their data, utilize Siri, and so much more. Just imagine being able to learn how to utilize all the functions and operations that the phone offers, use a well-formatted book to help seniors like you use your phone, learn about the latest updates, improvements, and changes on the new iPhone 13, pass a message across with its large prints with fewer strains on the eyes, teach seniors despite their low-tech knowledge in a language simple to understand. And that's just for starters. Not only that, but also the book uses practical examples in explaining how to get the most out of your iPhone 13, a user-friendly guide for anyone with even third-grade education to follow, show you how to keep in touch despite aging eyesight and hearing, learn more new phone tricks to keep up with the kids and grandkids, large printing format suitable for those with eye-sight issues. So if you are one of those people worried about how to set up their new device, this guide can be useful to beginners and even those switching from Android to iPhone. You can also learn to use the GPS feature to search for places on maps. This book also covers how to search for a place on maps, how to send a text message to old and new contacts, introduction to Safari and Siri, activating Siri, changing wallpapers, setting screen time and managing events, how to use the iPhone 13 Pro exclusive feature called ProRes, how to access some hidden camera functions that you probably did not expect a phone camera to have. Click the Buy Now Button to order your copy of the book to get started. Translator Johnn Bryan PUBLISHER TEKTIME
