In Case of Emergency Elizabeth Elcessor, 2022-04-19 A much needed look at the growth of emergency media and its impact on our lives In an emergency we often look to media to

contact authorities to get help to monitor evolving situations or to reach out to our loved ones Sometimes we aren't even aware of an emergency until we are notified by one of the countless alerts alarms notifications sirens text messages or phone calls that permeate everyday life Yet most people have only a partial understanding of how such systems make sense of and act upon an emergency In *Case of Emergency* argues that emergency media are profoundly cultural artifacts that shape the very definition of emergency as an opposite of normal Looking broadly across a range of contemporary emergency related devices practices and services Elizabeth Ellcessor illuminates the cultural and political underpinnings and socially differential effects of emergency media By interweaving in depth interviews with emergency operation and app development experts archival materials and discursive and technological readings of hardware and infrastructures Ellcessor demonstrates that emergency media are powerful components of American life that are rarely if ever neutral The normalization of ideologies produced and reinforced by emergency media result in unequal access to emergency services and discriminatory assumptions about who or what is a threat and who deserves care and protection As emergency media undergo massive growth and transformation in response to digitization and attendant entrepreneurial cultures Ellcessor asks where access equity and accountability fit in all of this The first book to develop a typology of emergency media *In Case of Emergency* opens a much needed conversation around the larger cultural meanings of emergency and what an ethical and care based approach to emergency could entail

Restless in Sleep Country Paul Huebener, 2024-05-14 Sleep and the lack of it is a public obsession and an enormous everyday quandary Troubled sleep tends to be seen as an individual problem and personal responsibility to be fixed by better habits and tracking gadgets but the reality is more complicated Sleep is a site of politics culture and power In *Restless in Sleep Country* Paul Huebener pulls back the covers on cultural representations of sleep to show how they are entangled with issues of colonialism homelessness consumer culture technology and privacy the exploitation of labour and the effects of the Covid 19 pandemic Even though it almost entirely evades direct experience sleep is the subject of a variety of potent narratives each of which can serve to clarify and shape its role in our lives In Canada cultural visions of slumber circulate through such diverse forms as mattress commercials billboards comic books memoirs experimental poetry and bedtime story phone apps By guiding us through this imaginative landscape Huebener shows us how to develop a critical literacy of sleep Lying down and closing our eyes is an act that carries surprisingly high stakes going beyond individual sleep troubles *Restless in Sleep Country* illuminates the idea of sleep as a crucial site of inequity struggle and gratification
