Asa A Marked Men Novel:

Asa Jay Crownover, 2015-04-21 Jay Crownover's New York Times and USA Today bestselling Marked Men series continues with the much anticipated story of southern charmer and certified criminal Asa Cross. Starting over in Denver with a whole new circle of friends and family, Asa Cross struggles with being the man he knows everyone wants him to be and the man he knows he really is. A leopard doesn't change its spots, and Asa has always been a predator. He doesn't want to hurt those who love and rely on him, especially one luscious arresting cop who suddenly seems to be interested in him for far more than his penchant for breaking the law. But letting go of old habits is hard, and it's easy to hit bottom when it's the place you know best. Royal Hastings is quickly learning what the bottom looks like after a tragic situation at work threatens not only her career but her partner's life. As a woman who has only ever had a few real friends, she's trying to muddle through her confusion and devastation all alone. Except she can't stop thinking about the sexy southern bartender she locked up. Crushing on Asa is the last thing she needs, but his allure is too strong to resist. His long criminal record can only hurt her already shaky career, and chasing after a guy who has no respect for the law or himself can only end in heartbreak. A longtime criminal and a cop together just seems so wrong, but for Asa and Royal, being wrong together is the only right choice to make.

The Marked Men Series Books 1-6: Rule, Jet, Rome, Nash, Rowdy, Asa Jay Crownover, 2015-10-21 The complete Marked Men Collection, six scorching reads: Rule, Jet, Rome, Nash, Rowdy, and Asa. Rome Jay Crownover, 2014-01-07 Sometimes the wrong choice can be just right. Fun and fearless Cora Lewis knows how to keep her tattooed bad boy friends at the Marked in line. But beneath all that flash and sass is a broken heart. Cora won't let herself get burned again. She's waiting to fall in love with the perfect man, a baggage-free drama-free guy ready for commitment. Then she meets Rome Archer. Rome Archer is as far from perfect as a man can be. He's stubborn, rigid, and bossy. And he's returned from his final tour of duty more than a little broken. Rome's used to filling many roles: big brother, doting son, supersoldier, but none of those fit anymore. Now he's just a man trying to figure out what to do with the rest of his life while keeping the dark demons of war and loss at bay. He would have been glad to suffer through it alone until Cora comes sweeping into his life and becomes a blinding flash of color in a sea of gray. Perfect may not be in the cards, but perfectly imperfect could just last forever. *The Jay Crownover Book Set 2* Jay Crownover, 2023-09-05 The following three books in the beloved Marked Men series from NYT and USA Today bestselling author Jay Crownover. This book set includes the following novels: NASH Saint Ford's life is exactly how she likes it: calm, serene, and all about work. Not on her agenda: doing a back-and-forth dance with the guy who nearly destroyed her in high school. Dark brooding Nash Donovan might not remember it, or her, for that matter, but he changed her life forever, and now he's trying to change it again. ROWDY After the only girl he ever loved told him that he would never be enough, Rowdy St. James set out to live up to his nickname. But that's before his new co-worker arrives, a ghost from the past who's suddenly making him question every lesson he ever learned. ASA A longtime criminal and a cop together
