Ministry of Finance, Planning, and Economic Development, 2007 *Assessing the Macroeconomic Impact of HIV/AIDS in Uganda: Phase III report - analysis of macroeconomic impact*, 2007 The Fiscal Dimension of HIV/AIDS in Botswana, South Africa, Swaziland, and Uganda Elizabeth Lule, Markus Haacker, 2011-11-17 This volume analyzes the cost of HIV AIDS from a fiscal perspective in Botswana South Africa Uganda and Swaziland **Assessing the Macroeconomic Impact of HIV/AIDS in Uganda**, 2007 Uganda's Human Resource Challenge Jörg Wiegratz, 2009 Despite significant economic recovery and improved macro economic indicators since 1986 Uganda s economy continues to face considerable challenges This book analyses the relationship between economic and human resource development in the country It identifies deficits in capabilities skills know how experience linkage building and technology use as well as undesirable business practices These shortcomings limit economic diversification productivity enhancement job and income creation as well as poverty reduction The book calls for more efforts towards human resource development The current narrow mainstream economic policy focus on macro economic stability a favourable investment climate and improved physical infrastructure alone will not foster economic development and broad based well being The Ugandan people and the private sector need more state support in addition to the predominant education and health focus of the government and donors if they are to develop the required human resources More and better training enhanced learning at the place of work and an improved business culture are vital It is essential to focus on technical organisational managerial entrepreneurial learning innovative social and institutional capabilities Efforts towards dealing with these challenges will require attention to the political economic climate of the country To make the argument the author covers a wide range of topics such as training and learning technology productivity latecomer development competitiveness labour market MSMEs entrepreneurship value chains cooperation and trust and human resource management The book contains more than 130 figures tables and information boxes See more at <http://www.africanbookscollective.com/books/ugandas-human-resource-challenge-sthash4XThRHxq.dpuf> **Assessing the Macroeconomic Impact of HIV** Uganda. Ministry of Finance, Planning, and Economic Development, United Nations Development Programme, Uganda AIDS Commission, 2007 **AIDS and Rural Livelihoods** Anke Niehof, Gabriel Rugalema, 2019-01-15 AIDS epidemics continue to threaten the livelihoods of millions of people in sub Saharan Africa Three decades after the disease was first recognized the annual death toll from AIDS exceeds that from wars famine and floods combined Yet despite millions of dollars of aid and research there has previously been little detailed on the ground analysis of the multifaceted impacts on rural people Filling that gap this book brings together recent evidence of AIDS impacts on rural

households livelihoods and agricultural practice in sub Saharan Africa There is particular emphasis on the role of women in affected households and on the situation of children The book is unique in presenting micro level information collected by original empirical research in a range of African countries and showing how well grounded conclusions on trends impacts and local responses can be applied to the design of HIV responsive policies and programmes AIDS impacts are more diverse than we previously thought and local responses more varied sometimes innovative sometimes desperate The book represents a major contribution to our understanding of the impacts of AIDS in the epidemic s heartland and how these can be managed at different levels
