Assholism By Xavier Crement:

Assholes Forever Xavier Crement, 1991-10 The immense popularity of Dr Crement's first book *A Hole No More* has led him to write a sequel on the subject *A Holes Forever* In this new book Dr Crement examines those sad cases in which the disease of assholism has become so severe that there is seemingly no cure for it These are people who have chosen to be assholes forever Dr Crement laments that even though the cure for assholism is now well known thanks to *A Hole No More* there are people who refuse to recognize their chronic assholism as a disease and seek help Dr Crement lists the types of people and groups most prone to being assholes forever documenting the tricks they use to take advantage of everyone else and explains what to do to spot em and to stop em

Asshole No More Xavier Crement, 1990 Until recently it was almost impossible to find anyone who would take the disease of assholism seriously Compulsively rude treatment of others was viewed only as a character flaw not as an addiction over which the asshole had no real control Dr Crement who began his career in proctology but has since switched to psychiatry corrects this glaring omission with this encyclopedic treatment of assholism The book is written primarily as a self help guide for recovering assholes people who have come to grips with their addiction and are trying to learn what it means to be a decent human being But it also includes a thorough description of the causes of assholism and the terrible waste this menace creates

Small Press Record of Books in Print Len Fulton, 1994 New Age Journal, 1991 *The Asshole Conspiracy* Xavier Crement, 1994-10-01 The good Dr X Crement continues to wage his battle against the creeping tide of assholism Having studied assholes and their behavior all of his life he is now ready to make his greatest revelation of all that the spread of assholism during the last century has been orchestrated as part of a secret international conspiracy Until now we have believed that the problems of society could be blamed on poverty ignorance and exploitation But we were wrong These problems have all been engendered by well placed assholes who have kept society stirred up and confused **A Hole No More** Xavier Crement, 1990-10-01
