Batman 7 Mascarade Collectif:

Schizoanalytic Ventures at the End of the World Jan Jagodzinski, 2019-03-21 This book provides a thorough application of theoretical ideas from Deleuze and Guattari to a series of examples drawn from contemporary film and new media arts. Chapters demonstrate examples of how to do schizoanalysis in philosophically informed cinema studies, new media and arts based education. Schizoanalysis as proposed by Deleuze and Guattari in distinction to Lacanian psychoanalysis provides an imaginary basis to address the precarity of the contemporary world order from the growing populism with its authoritarian fascist tendencies to the growing concerns regarding climate change within the Anthropocene. Part I of this book initiates this understanding through cinematic examples. Part II calls for a schizoanalytic pedagogical imagination which is needed to provide insight into the structures of desire as they circulate in media, especially videogames, and the tensions between analogue and digital technological manifestations. Such pedagogy enables an understanding of the new materialism where nonhuman and inhuman AI agencies are taken into account. To this end, schizoanalytic pedagogy calls for a new earth of transformed values and relationships.

Masculine Interests Robert Lang, 2002 In the 1930s a band of smart and able young men, some still in their twenties, helped Franklin D. Roosevelt transform an American nation in crisis. They were the junior officers of the New Deal: Thomas G. Corcoran, Benjamin V. Cohen, William O. Douglas, Abe Fortas, and James Rowe helped FDR build the modern Democratic Party into a progressive coalition whose command over power and ideas during the next three decades seemed politically invincible. This is the first book about this group of Rooseveltians and their linkage to Lyndon Johnson's Great Society and the Vietnam War debacle. Michael Janeway grew up inside this world. His father, Eliot Janeway, business editor of *Time* and a star writer for *Fortune* and *Life* magazines, was part of this circle strategizing and practicing politics as well as reporting on these men. Drawing on his intimate knowledge of events and previously unavailable private letters and other documents, Janeway crafts a riveting account of the exercise of power during the New Deal and its aftermath. He shows how these men were at the nexus of reform impulses at the electoral level with reform thinking in the social sciences and the law and explains how this potent fusion helped build the contemporary American state. Since that time, efforts to reinvent government by brains trust have largely failed in the U.S. In the last quarter of the twentieth century, American politics ceased to function as a blend of broad coalition building and reform agenda setting rooted in a consensus of belief in the efficacy of modern government. Can a progressive coalition of ideas and power come together again? *The Fall of the House of Roosevelt* makes such a prospect both alluring and daunting.

The Hong Kong Modernism of Leung Ping-kwan C. T. Au, 2019-11-29 This book resolves around the fundamental question: What is Hong Kong modernism? To address this issue, C. T. Au identifies three significant characteristics: a renewal of traditions, an obsession with ordinary things, and an expression of concerns about social and political issues shared among Western modernisms. Chinese modernism in the 1940s and such Hong Kong modernists as Ma Lang, Liu Yichang, and Leung Ping-kwan. Yasi Ye Si. This research concentrates

on an examination of the major modernist tenets embodied in Leung's literary works Leung Ping kwan is one of the most prominent and widely read Hong Kong modernist writers however there exist only a few scholarly works which focus on the direct relationship between Leung's works and modernisms The author argues that Leung paid special attention to issues regarding tradition daily life and colonial culture in order to understand his past his identity and the unique features of Hong Kong modernism which celebrate multiple perspectives and inclusiveness This study not only helps differentiate Hong Kong modernism from other modernisms positioning the former as a variant of the latter but also provides a response to the problems evoked by Hong Kong's colonial milieu
