Mastering the Fire Service Assessment Center, 2nd Ed Anthony Kastros, 2018-04-16 Bridge the gap between where you are and where you want to be Do you have the knowledge skills and abilities to evaluate behavior performance and readiness Read Mastering the Fire Service Assessment Center to identify what you need to learn and understand how to learn it There is no way you can read and reflect on the wisdom in these pages and not become a better person and a better firefighter Why Read This Book The American fire service is facing a new normal fueled by mass exodus influx of new generations of firefighters a lack of hands on leadership training sweeping changes in mission decimated budgets and the genetics of task oriented reactive forefathers The greatest and perhaps only area that we can affect directly is hands on inspiring realistic and useful training for our aspiring and incumbent leaders This book will help you regardless of the fire officer rank you seek It will help you know where you need to improve how to develop a specific personal plan to become an excellent officer and how to do well with whatever assessment center exercises throw at you NEW MATERIAL in this second edition Enjoy reading Wisdom from the Masters from 18 fire service luminaries They provide invaluable insights and challenges you will face as you prepare to promote whether for the first time as a company officer or up the chain as a chief officer Learn lessons from thousands of students from the past 12 years whose feedback will benefit you in this second edition Benefit from the many new elements in this book including relevant articles additional exercises and content regarding the dimensions of leadership management and emergency operations The complexities of being a fire officer in the 21st century require an undercurrent of humility while continually pursuing mastery of leading in the modern fire service Learn how to lead the modern day firefighter in a modern world with modern technology modern fire behavior and modern sociopolitical and economic challenges Many

firefighters ask themselves if they really want to do this job but nothing is as professionally rewarding and challenging as leading others in battle to save lives This book will give you the greatest probability of success in your assessment center process Bobby Halton editor in chief Fire Engineering magazine **Facing the Fire** Kelvin J. Cochran, 2021-10-12 Decades fighting other people's fires prepared Kelvin Cochran to face his own fiery trial He overcame poverty prejudice and pain to fulfill a childhood dream of helping others rising to the top of firefighting's professional ladder in Atlanta Georgia At one time nationally recognized as America's fire chief Kelvin unexpectedly found himself caught in a fireball of controversy over his orthodox Christian beliefs for which he ultimately was fired by the city making him a focal point in a national battle over religious freedom Misrepresented by activists and the media Kelvin relied on his faith to bring him through In due course he emerged from the flames of scandal unscathed like the friends of the prophet Daniel who were thrown into the burning furnace Kelvin's story is a sobering warning of how Christians faithful to biblical teachings are increasingly at risk of persecution in today's culture It is also an inspiring example of overcoming racial prejudice and adversity and finding the courage to take the heat and stand for the truth
