

1. Professional Practice – Safety

Self Final —

I performed all tasks in a safe manner and was not at risk toward my patients and colleagues.

CI Final —

Patient does guard patients appropriately and requires cueing from therapist only 25% of the time. He is aware of protocol guidelines and will turn over the patient to the therapist if he is not comfortable with a situation. He places the patients and himself in areas which maximize his abilities to control appendages with stretching and manual and will use the hi-lo table to his advantage. He is safe with patients with complex conditions, such as stroke, and makes appropriate recommendations to the physician about assistive devices.

2. Professional Practice – Professional Behavior

Self Final —

Professional behavior is one of my strengths when working in the clinic, and I demonstrated excellent professional behavior in the clinic, and was complimented few times by fellow patients and CI.

CI Final —

He is always on time and is willing to stay late to finish a patient or complete paperwork. He dresses appropriately for the clinic and interacts well with all personnel. He is able to accept feedback from the therapist and immediately make changes. He listens well to the patients and treats all with respect and dignity as well as maintaining privacy. He willingly makes himself available to learning opportunities and will perform self reviews of charts prior to seeing a patient.

3. Professional Practice – Accountability

Self Final —

I maintained patient confidentiality and did not discuss patient information outside the clinic parameters.

CI Final —

He is willing to stay late or see a patient in a difficulty time slot to make sure that they receive treatment. He is willing to accept feedback from the therapist and makes changes quickly. He immediately admits if he did not do a task or perform an activity. He is doing well with changing and only requires 25% assistance from the therapist.
