Introduction to Inclusive Education Anne Jordan, 2006 Introduction to Inclusive Education is a series of unique and flexible learning modules designed to introduce special education and to help develop effective teaching methods within an inclusive classroom setting. Appropriate for teacher preparation and professional development special education courses, this truly modular system is aimed at increasing the skills base of students and professionals by engaging them in an interactive environment. Using WileyPLUS as the primary format, learners will have access to dynamic multimedia content specifically created to accompany the text. Each module consists of text, interactive exercises, video clips of real classroom settings, as well as skill testing questions and evaluative tasks. Designed for maximum flexibility, these modules are available online and, if desired, with an accompanying text. The material is offered in this environment for both instructors and learners in order to meet the range of needs in the modern classroom.

Introduction to Organic Chemistry William H. Brown, Thomas Poon, 2016-01-13 Introduction to Organic Chemistry 6th Edition provides an introduction to organic chemistry for students who require the fundamentals of organic chemistry as a requirement for their major. It is most suited for a one semester organic chemistry course. In an attempt to highlight the relevance of the material to students, the authors place a strong emphasis on showing the interrelationship between organic chemistry and other areas of science, particularly the biological and health sciences. The text illustrates the use of organic chemistry as a tool in these sciences; it also stresses the organic compounds both natural and synthetic that surround us in everyday life in pharmaceuticals, plastics, fibers, agrochemicals, surface coatings, toiletry preparations, and cosmetics, food additives, adhesives, and elastomers. This text is an unbound three hole punched version. Access to WileyPLUS sold separately. *Brown's Introduction to Organic Chemistry* William H.
