Asian Discourses Of Rule Of Law Routledge Law In Asia:

Asian Discourses of Rule of Law Randall P. Peerenboom, 2004 Rule of law one of the pillars of the modern world has emerged in Western liberal democracies This book considers how rule of law is viewed and implemented in the different cultural economic and political context of Asia

Authoritarian Rule of Law Jothie Rajah, 2012-04-16 Through a focus on Singapore this book presents an analysis of authoritarian legalism showing how prosperity public discourse and a rigorous observance of legal procedure enable a reconfigured rule of law liberal form but illiberal content It shows how institutions and process become tools to constrain dissenting citizens while protecting those in political power

The Development of the Rule of Law in ASEAN Imelda Deinla, 2017-06-29 An interdisciplinary work on regional integration and the rule of law in ASEAN and the emergence of a soft regulatory regime

The Nature of Asian Politics Bruce Gilley, 2014-09-15 The Nature of Asian Politics provides an unparalleled comprehensive first look at the politics of Southeast and Northeast Asia

Dispute Resolution in Asia Michael Charles Pryles, 2006-01-01 Prized by practitioners since the first edition appeared in 1998 Dispute Resolution in Asia provides a much wider spectrum of Asian laws and approaches to dispute resolution than is traditional in comparative studies It examines arbitration litigation and mediation in thirteen countries with detailed practical essays each written by a senior lawyer with vast knowledge and experience of dispute resolution in his or her own country Contributions vary in style and content and thus reflect the diversity of legal systems and cultures in Asia The third edition of this popular book has been expanded by the inclusion of a chapter on Korea and a discussion of investment treaty arbitrations All chapters have been revised and updated to incorporate recent developments such as the enactment of relevant new legislation in Malaysia Statistics on arbitration centres in Asia are also included As a comprehensive practical guide to the practice and procedure of dispute resolution in the important trading countries of Asia this book will be of great value to corporate counsel and international lawyers and business people as well as to students of dispute resolution For more information on the editor Professor Michael Pryles please visit his website <http://www.michaelpryles.com>

Law and Society in Vietnam Mark Sidel, 2008-02-21 This book is a unique analysis of the struggle to build a rule of law in one of the world's most dynamic and vibrant nations a socialist state that is seeking to build a market economy while struggling to pursue an ethos of social equality and opportunity It addresses constitutional change the assertion of constitutional claims by citizens the formation of a strong civil society and non profit sector the emergence of economic law and the battles over who is benefited by the economic regulation labor law and the protection of migrant and export labor the rise of lawyers and public interest law and other key topics Alongside other countries comparisons are made to parallel developments in another transforming socialist state the People's Republic of China

European Union Governance in Central Asia Agha Bayramov, Marek Neuman, 2024-12-09 The edited volume attempts to critically approach EU Central Asian relations asking whether when adopting a more sectoral governance approach the EU's transformative power vis vis the region is greater

than initially argued and if so under what conditions it flourishes most It assesses whether through adopting a sectoral approach to the area of development infrastructure water management security climate change energy trade health education or any other element defining EU Central Asian relations the European Union is able to co shape this geopolitically strategic region If so what drives the EU s ability to do so if not what mitigates its potential influence This book contributes to the scholarship on the EU s external governance both empirically and theoretically Labour Market Regulation and Deregulation in Asia Caroline Brassard,Sarthi Acharya,2006 Papers presented at the Conference on Regulation Deregulation and Reregulation held at Singapore during 22 24 March 2004 Human Rights in Asia Thomas W.D. Davis,Brian Galligan,2011-01-01 Does the increasing prominence of Asia also mark a new era for human rights in the region This timely book uncovers the political drivers behind both recent regional and country based changes to the recognition promotion and protection of rights Human Rights in Asia focuses on the relationships between political regimes institutions and cultures and external actors such as international organisations NGOs and business The contributing authors provide important discussions on Burma Cambodia China India Indonesia Malaysia Singapore Thailand and the Phillipines Thematic chapters then go on to frame these individually focused contributions by examining the international pressure to normalise rights regimes and the relationship between Islam and rights in the region Providing a unique combination of country specific and thematic analysis this book will be a fascinating and beneficial read for postgraduate and undergraduate students in human rights and international relations as well as scholars in politics human rights international relations and government and NGO analysts **Constitutional Dialogue in Common Law Asia** Po Jen Yap,2015-07-16 In a comprehensive examination of the constitutional systems of Hong Kong Malaysia and Singapore Po Jen Yap contributes to a field that has traditionally focussed on Western jurisdictions Drawing on the history and constitutional framework of these Asian law systems this book examines the political structures and traditions that were inherited from the British colonial government and the major constitutional developments since decolonization Yap examines the judicial crises that have occurred in each of the three jurisdictions and explores the development of sub constitutional doctrines that allows the courts to preserve the right of the legislature to disagree with the courts decisions using the ordinary political processes The book focusses on how these novel judicial techniques can be applied to four core constitutional concerns freedom of expression freedom of religion right to equality and criminal due process rights Each chapter examines one core topic and defends a model of dialogic judicial review that offers a compelling alternative to legislative or judicial supremacy
