The Making of Assassin's Creed: 15th Anniversary Alex Calvin, Ubisoft, 2023-10-03 An oversized full color hardcover that celebrates fifteen years of the iconic Assassin's Creed video game saga. Discover the genesis of each Assassin's Creed game and get an insider's look at the efforts that went into creating one of the biggest franchises in the video game industry. In observance of Assassin's Creed's fifteen year anniversary, Ubisoft and Dark Horse Books have teamed up to create an extensive examination into the creation of the award-winning Assassin's Creed franchise. Featuring gorgeous art from over a decade and a half of development and detailed interviews with the games' past and present creators, this is the perfect companion piece for any aspiring Assassin.

[Assassins Creed Revelations](#) Oliver Bowden, 2011-11-01 *Early Modernity and Video Games* Florian Kerschbaumer, Tobias Winnerling, 2014-06-26 We cannot think of modern society without also thinking of video games. And we cannot think of video games without thinking of history either. Games that deal with history are sold in ever-increasing numbers, striving to create increasingly lively images of things past. For the science of history, this means that the presentation of historical content in such games has to be questioned as well as the conceptions of history they embody. How do games create the feeling that they portray a past acceptable to their players? Do these popular representations of history intersect with academic narratives or not? While a considerable body of work on similar questions

already exists both for medieval history as well as for those games dealing with the 20th century early modernity has not yet been treated in this context As many games draw their imagery perhaps their success too from the years between 1450 and 1815 it is to their understanding that this volume is dedicated The contributions encompass a wide range of subjects and games from Age of Empires to Assassin s Creed from Critical Discourse Analysis to Ludology One aim unites them namely an understanding of what happens when video games encounter early modernity
