Assessing Impact Foreign Aid Value:

Assessing the Impact of Foreign Aid Viktor Jakupec, Max Kelly, 2015-11-10 Assessing the Impact of Foreign Aid Value for Money and Aid for Trade provides updated information on how to improve foreign aid programs exploring the concept and practice of impact assessment within the sometimes unproblematic approaches advocated in current literature of value for money and aid for trade Contributors from multi lateral agencies and NGOs discuss the changing patterns of Official Development Assistance and their effects on impact assessment providing theoretical political structural methodological and practical frameworks discussions and a theory practice nexus With twin foci of economics and policy this book raises the potential for making sophisticated and coherent decisions on aid allocation to developing countries Addresses the impact of aid for trade and value for money rather than its implementation Discusses the changing patterns of Official Development Assistance and their effects on impact assessment providing theoretical political structural methodological and practical frameworks discussions and a theory practice nexus Assesses the effects and implications of the value for money and aid for trade agendas Highlights economic issues

Public Procurement and Aid Effectiveness Annamaria La Chimia, Peter Trepte, 2019-08-08 This edited collection fills a significant gap in the literature by gathering contributions from the most prominent academics and practitioners of aid and procurement It explores the economic political and legal relationship between procurement and aid effectiveness in developing countries and takes stock of current debates in the field More specifically the contributions analyse the failures and successes of current initiatives to foster effectiveness and streamline the aid procurement process and address current themes emerging in the literature related to development procurement and aid success A pivotal and timely publication Public Procurement and Aid Effectiveness will be of interest to a varied and multicultural international audience and a wide range of actors working on aid effectiveness development procurement and good governance initiatives in both donor and beneficiary countries

Development Aid—Populism and the End of the Neoliberal Agenda Viktor Jakupec, 2017-12-04 This volume examines the impact of the Trump presidency on development aid It starts out by describing the rise of national populism the political landscape and the reasons for rejection of the political establishment both under Trump and internationally Next it gives a historical political overview of development aid in the post WW II era and discusses the dominant Washington Consensus doctrine and its failure It then provides a critique of the Official Development Assistance ODA discourse and reviews the political economy of ODA the discourse and the conditionalities that are barriers to socio economic development The final chapters explore the question of Trumponomics as an alternative to the global neoliberal ODA and the potential impact of Trumponomics on ODA The book concludes with thoughts on the potential future directions for ODA within the ideals of Trumponomics and national populism

The Human Rights Principle of Indivisibility Dorothea Anthony, 2025-09-24 The indivisibility principle holds that all human rights are equally important and should be respected in equal measure This book provides a comprehensive explanation and

analysis of indivisibility its meaning s history ideological significance benefits and shortfalls In this way the work brings indivisibility into the realm of critical thought that the principle of universality for example has long occupied The work examines representations of indivisibility across multiple legal and academic sources from the last several decades in which interest in indivisibility and human rights has grown exponentially It lucidly details how indivisibility has been used to legitimise the human rights project and fortify associated social campaigns It illustrates the human rights community s sincere enthusiasm for indivisibility But it also questions the politics behind the renewed promotion of indivisibility and its declared goals The book is structured according to these goals or social functions that indivisibility has come to take on since it was popularised at the World Conference on Human Rights In addressing the functions of indivisibility the book uncovers fascinating dynamics underpinning the principle and mainstream human rights theory in general It reveals a paradox in which contemporary indivisibility both challenges and supports the traditional human rights catalogue and the social system out of which the principle arose It asks whether persisting social contradictions and divided interests in the post Cold War world might weaken the moral claims to a new undividedness of rights and lead to the conclusion that we should be more realistic about how human rights law and policy have evolved and what they have to offer The book will be of interest to academics researchers and policy makers working in the areas of human rights studies international law political science and the humanities

Rethinking Multilateralism in Foreign Aid Viktor Jakupec,Max Kelly,Jonathan Makuwira,2020-04-23 This edited book provides a contemporary critical and thought provoking analysis of the internal and external threats to Western multilateral development finance in the twenty first century It draws on the expertise of scholars with a range of backgrounds providing a critical exploration of the neoliberal multilateral development aid The contributions focus on how Western institutions have historically dominated development aid and juxtapose this hegemony with the recent challenges from right wing populist and the Beijing Consensus ideologies and practices This book argues that the rise of right wing populism has brought internal challenges to traditional powers within the multilateral development system External challenges arise from the influence of China and regional development banks by providing alternatives to established Western dominated aid sources and architecture From this vantagepoint *Rethinking Multilateralism in Foreign Aid* puts forward new ideas for addressing the current global social political and economic challenges concerning multilateral development aid This book will be of interest to researchers academics and students in the field of International Development and Global Governance decision makers at government level as well as to those working in international aid institutions regional and bilateral aid agencies and non governmental organisations

Multinationals, Poverty Alleviation and UK Aid Jo-Anna Russon,2023-10-12 This book analyses the complex relationship between the private sector UK official development assistance ODA and poverty alleviation in sub Saharan Africa In recent years the private sector has occupied an increasingly prominent position within UK ODA bringing a range of opportunities and conflicting interests This book first

traces the trajectory of private sector engagement in ODA before setting out the theoretical and analytical framework for analysing the mutual prosperity agenda in UK ODA the notion that ODA can benefit both donor and beneficiary country interests By extending corporate social responsibility theory in the emerging field of business and development studies to ODA the book critiques the underlying assumptions contained within UK ODA multinational corporation partnerships With reference to three case studies GlaxoSmithKline plc Barclays plc and Anheuser Busch InBev formerly SABMiller the book identifies where the activities of multinational corporations support and or undermine ODA goals and the implications for the UK s mutual prosperity agenda Overall the book reflects a pragmatic approach to maximising the role of private sector actors in ODA whilst also drawing attention to the opportunities and challenges in the mutual prosperity agenda The book will be of interest to researchers from business management development studies and political science as well as to practitioners with an interest in the role of the private sector in ODA

Internal Evaluation in Non-Profit Organisations Leanne M. Kelly, Alison Rogers, 2022-06-01 Focused on the interpersonal aspects of internal evaluation in non profit organisations this book presents practice based discussions centred on six key topics identified through the authors experience as evaluation practitioners Internal Evaluation in Non Profit Organisations Practitioner Perspectives on Theory Research and Practice is not a step by step how to guide instead each chapter unpacks an aspect of internal evaluation in non profits that is paid insufficient heed in the existing literature Written by and for internal evaluation practitioners the book contains a plethora of practical strategies and critical analysis of thought provoking topics that are of particular interest and importance to internal evaluators in non profit settings The authors understand the pressures facing practitioners and non profit organisations and share their insights around improving evaluation s ability to be efficient embedded useful and meaningful This book will be of interest to researchers scholars and students focusing on non profit management and will hold specific value for internal evaluators who want to harness their unique and influential position to help organisations achieve their goals Further this book is ideal for individuals wanting to think critically about evaluation and improve evaluation utilisation by developing their professional capability building teamwork skills using informal everyday data incorporating theory and developing fruitful relationships with external evaluators
