Asshole Happy Giving About Anyone:

The Massive Advantages of Dealing With Assholes Carl Vernon,2021-01-25 The odds say that you have more than one asshole in your life right now Toxic people are everywhere At work Home School Life We re surrounded You need to arm yourself with the tools knowledge and resources to recognise and deal with them or suffer the severe consequences In this book bestselling author Carl Vernon shows you how to spot an asshole helps you to understand their traits and behaviours and most importantly gives you all the tools you need to take control today Discover for yourself the massive advantages of dealing with assholes *Reckless Truths* Autumn Jones Lake,2022-07-19 Every secret has an expiration date and the truth is about to explode in the newest installment of the Lost Kings MC series from USA Today bestselling author Autumn Jones Lake Blood never lies The truth is a painful weapon It cuts deep and can scar you for life Even when the pain fades the truth remains Everyone has scars Scars mean you were stronger than whatever tried to hurt you Charlotte told me that once and it healed the jagged pieces of my soul She s the sunshine to my darkness The one who tames my demons Hidden truths are silent lies One devastating truth rocked me to my soul In an instant my entire identity erased and replaced A secret I must keep or risk hurting the ones I love the most There is strength in loyalty No matter how much it hurts every secret has an expiration date It s time to face the pain and endure the fallout But as the club expands forgotten threats return to steal our peace The strength of my Lost Kings MC family will pull us through Show no mercy and take no prisoners But everyone even family has a breaking point *AM I THE ASSHOLE?* Dr. Brandon Day ,2023-01-06 A hilariously irreverent take on the modern memoir you ll never look at memoirs the same way again Boston Globe A heartbreaking and hilarious memoir Dr Brandon Day takes us on his lifelong odyssey of hellish introspection and painstaking self discovery He chronicles his battles with homelessness addiction bosses teachers cable companies neighbors his children and his ex wife to answer the existential question that burns inside all of us Am I the Asshole NEW YORK TIMES Brandon Day grew up in an abusive home All through his childhood his sadistic and overbearing parents tortured him by forcing him to perform all sorts of unthinkable acts such as brushing his teeth and doing his homework and by the time he was ten years old he had already become addicted to Nintendo He would spend hours upon hours in his bedroom playing games such as Mike Tyson s Punchout and The Legend of Zelda as a means to escape the suffering he endured at the hands of his cruel and merciless parents Without any real skills talent or drive Dr Brandon Day knew that if he wanted to become rich and famous that he would have to tell his story He would have to write a really self righteous memoir where he plays the victim and shits all over his friends and family complains about how hard his life is and then brags about how he overcame it all That would be his only way out of the insufferable torture of having hardly any followers on social media But upward mobility required crafting the perfect resilience narrative He had to prove to himself and the rest of the world that he was not just lazy and he was an overcomer made stronger by all the bullshit he had endured at the hands of not only his parents but other family members friends co

workers teachers wives ex wives bosses neighbors and even his own children However the truth was more complicated After he graduated from college Dr Brandon s mom and dad kept breaking his balls about smoking too much pot and finding a fucking job already If only it were that easy Eventually his parents would kick him out of their house and even force him to pay for his own car insurance when he was just a young scared 26 years old little boy Dr Brandon learns to confront his own past filled with many secrets a marijuana stash he hid in his sock drawer all through high school phone calls from debt collectors who use strange numbers to try to trick him into picking up dozens of lost car keys and wallets he never found and sometimes even peeing in the kitchen sink when he is drunk All of which led to the unbecoming desperation of a 40 year old man forced to a reckoning with his own identity Although Dr Brandon would go on to graduate from college and become a high school guidance counselor he found that sweet ass summer vacations and a strong teacher s union didn t necessarily mean safety from judgment from the patriarchy or American meritocracy Both a chronicle of the American Dream and an indictment of it this searing debut memoir exposes the price we pay for the promise of a bright future Dr Brandon Day s story challenges our ideas of what it means to overcome and live life on our own terms even if those terms mean that you re kind of an asshole
