EXPOSITION OF THE PROPHECY OF HOSEA JEREMIAH. BURROUGHS, 2018 *An Exposition of the Prophecy of Hosea (Classic Reprint)* Jeremiah Burroughs, 2016-10-19 Excerpt from *An Exposition of the Prophecy of Hosea* The author was prevented by several providences from preaching the foregoing sermon for some months together insomuch as himself wondered what purpose God had in it till at last God visited him by sickness whereof he fell asleep in the Lord his disease was thought to be infection but without any sore yea and as the gentlewoman his wife has related without any spots or tokens of the plague there was only a black settling of blood on one side of his back which she supposed might have arisen from a fall from a horse which he had met with not long before This is mentioned by occasion of some contrary reports concerning his death About the time of his immediate dissolution he lifted up his eyes and was heard to Speak these words I come I come I come and so gave up the ghost It had been much to he wished that the author had been more concise and brief in some amplifications which though all exceedingly useful yet have deprived us of his preaching and completing both the former sermon and the rest of the prophecy But God was pleased for our sin no doubt to deprive us of that mediator like instrument between the divided godly parties of this nation and of the further mind of the Holy Ghost which he had revealed to this his servant touching the scope and use of this prophecy in these days God took him away in the strength of his parts and graces that he might not lose in the reputation of his ministry or piety as some have before their death Also though we cannot affirm as one of Josiah that he was taken away lest the evil of the time should have wrought upon his temper yet we may say as another doth he was taken away from the evil to come Isa Lvii 1 Moreover it is not an unuseful note that the Preface to the Tigurine Bible hath whereof the inference is That whilst in some weighty point we labour for great exactness and preparation we are either disabled by our diligence or prevented by our tardiness and delay whereas moderate preparation seasonably applied might be more useful to the church than such exactness so deferred Which is not spoken to reflect any thing on our reverend author but to admonish others About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **EXPOSITION OF THE PROPHECY OF Hosea** Sydney Porteous, 1962* **Prophet of a Broken Home** Frederick A.
