When Dinosaurs Fall Orlando Rodriguez, 2020-02-17 I was born into the religion of Jehovah s Witnesses and was raised by my forebears with the single minded goal to be baptized in the name of the Lord Jehovah Lucky me There was a problem with this monomaniacal plan I was an atheist as far back as I could remember Before I continue I d like to make the following requisite statement which I think is very important to articulate I promised myself that I did not want to make another Jehovah s Witness bashing book There are plenty of those available I try to convey the intentional internal conflict that is nourished in the congregation and the ideologies used as brainwashing you to accept the truth It is important to note that the Jehovah s Witnesses are a cult just like every other religion but there is some real danger to this unusual sect of Christianity You will be called to sacrifice your child s life to God if they require a blood transfusion to save their life You will be forced into not pursuing higher education the sole purpose of your existence to preach the Good News Women are to be submissive to male counterparts at all times I can truly say that this is not the religion you should be looking at if you want answers to life s yearning questions

The Incarnate Christ and His Critics Robert M. Bowman Jr., J. Ed Komoszewski , 2024-11-12 A current comprehensive and clear defense of the deity of Christ The central theological claim of Christianity that Jesus is God incarnate finds eager detractors across a wide spectrum from scholars who interpret Jesus as a prophet angel or guru to adherents of progressive Christianity and non Christian religions and philosophies Yet thorough biblical scholarship strongly supports the historic Christian teaching on the deity of Christ Authors Robert M Bowman Jr and J Ed Komoszewski follow the approach of their landmark 2007 study on the same topic Putting Jesus in His Place They focus on five pillars of New Testament teaching using the acronym HANDS and demonstrate what both Jesus and the earliest believers recognized namely that Jesus shares in the Honors that are due God Attributes of God Names of God Deeds that God does Seat of God s eternal throne The Incarnate Christ and His Critics engages objections to the divine identity of Jesus from Jehovah s Witnesses Mormons progressive Christians Muslims Unitarians and others Bowman and Komoszewski show how biblical scholarship cannot reasonably ignore the enduring wide ranging and positive
