Augusto, 2011-07-10 Like many developing nations the Philippines has been relying on western standards as handed down by American colonialists and perpetuated by the Filipino elite The heavy focus of this western approach on economic indicators of progress is suited to the elite's interests since it controls commerce and industries This book presents the e ANT3 Paradigm e a new development paradigm that is more appropriate for developing nations because it is cognizant of the importance of the cultural and spiritual values of the people alongside their economic aspirations e ANT3e stands for information technology Applications social Networking appropriate Technology modern but affordable Telecommunications systems and Training This paradigm emphasizes community building and a social organization in which every member has a distinct vital role to play in the pursuit of the common good of the country Blueprint for a Better Life! John

Bordelon, 2011-12-28 Blueprint for a Better Life is about marriage relationships abuse molestation cheating finance unemployment children sex career and a whole lotta other stuff Simply put this book is about how to simplify your life through plain ol' common sense and practical solutions to problems we all face in this life Blueprint for a Better Life is not a typical self-help or Christian writing but a true everyman approach to life using biblical principles Blueprint for a Better Life comes to where you are no matter what your station in life may be The purpose of this writing is to help you create a foundation that will allow you to build a life that is truly a masterpiece The book was written to feel like a conversation between two friends and hopefully you'll feel it does
