## **An Indcent Obsession:**

*Indecent Obsession* Colleen McCullough, 1982-10 At the end of W W II Sister Langtry is in charge of a ward of mentally unbalanced patients When she falls in love with a new patient tensions are created and a patient is murdered **An Indecent Obsession** Colleen McCullough, 1985 An Indecent Obsession Mudrooroo, 2018-10-01 from Afterword My interest in this what can I call him this Australian psycho came about because of my efforts at writing and publishing accounts of the cases of the famous Queensland detective Doctor Watson Holmes Jackamara Unfortunately my interest in the case from the position of my subject palled for as Jackamara said This bloke left a trail that you could follow in a four wheel driver Because of this I was about to conclude that there was little interest in writing the case up but when I had my first interview with Dr Jefferson Davis I instantly saw that this was where the interest lay Dr Jeff Davis at that first interview expressed interest in being the subject of a book To some extent I agreed with him and continued the interviews When he was not under the complete control of his medication or his delusions he was quite well charming I also found a fascination in delving into the perverted mind of this serial killer a unique but brutal man who thankfully for the good of the world remains incarcerated in a hospital for the criminally insane hopefully for the rest of his life In my judgment formed over a hundred and ten interviews he is too great a danger to society and to women in general to be ever released I found him utterly incorrigible a psychotic who not only believed his fantasies to be real but used them to initiate a series of murders which he labeled as acts of vengeance His deeds shocked Queensland at the time and the Courier Mail headlined it as AN INDECENT OBSESSION Mudrooroo An Indecent Obsession is a new novel from the author of Wild Cat Falling An indecent obsession Denise Morgan, 1984 An indecent obsession. Chinese , *An Indecent Obsession* , 2015 From the author of The Thorn Birds comes this story of feverish passion and insane jealousy set in an isolated hospital camp at the end of World War II Sister Honour Langtry Wendy Hughes is a warm sensitive nurse caring for five emotionally wounded soldiers But when a new patient arrives Gary Sweet who appears charming and untroubled the delicate relationship between the inmates slowly begins to unravel Jealousies smoulder hatreds are fuelled love grows and violence erupts Based on Colleen McCollough's bestselling tale of strange and twisted passions running uncontrolled in claustrophobic tropical air An Indecent Obsession boasts an exotic locale and a powerful performance from AFI award winning actress Wendy Hughes Careful He Might Hear You *New Australian Cinema* Brian McFarlane, Geoff Mayer, 1992-06-26 The institutions and products of the Australian film industry have been extensively surveyed yet few analyses consider the sources of the film revival that took place in the 1970s and 1980s This book represents a body of thinking about Australian cinema that asks where the origins of films lie The book begins by tracing the indebtedness of Australian cinema to the classical narrative style of Hollywood film making with its firm grasp of melodrama It continues by comparing the problems faced by the high British cinema of the 1940s and 1950s with those faced by Australia in the 1970s and 1980s in the attempts by both countries to establish national film industries

New Australian Cinema will increase the scope of the discussion about the revival of Australian cinema and help us to make cultural sense of the films themselves      Ed King David Guterson,2011-10-03 From the bestselling author of *Snow Falling on Cedars* a dazzling darkly funny compulsively readable retelling of Sophocles's *Oedipus Rex* that takes us from the 1962 Seattle World's Fair to the twenty first century headquarters of an Internet search giant Superbly organised and sophisticated Excellently entertaining Sunday Times A great story and a riveting read Daily Mail In 1962 when Walter Cousins sleeps with his British au pair Diane Burroughs he can have no sense of the magnitude of his error this brief affair sets in motion a tragedy of epic proportions upending Sophocles's immortal tale of fate free will and forbidden desire At the centre is Ed King an infant given up for adoption who becomes one of the world's most powerful men But beneath the gripping story of Ed's seemingly inexorable rise to fame and fortune is a dark and unsettling destiny one that approaches with ever increasing suspense as the novel reaches its shattering conclusion      *The A to Z of Australian and New Zealand Cinema* Albert Moran,Errol Vieth,2009-07-21 Whether it was Jane Campion's *The Piano* Mel Gibson in *Mad Max* Paul Hogan in *Crocodile Dundee* or *The Lord of the Rings* saga we have all experienced the cinema of Australia and New Zealand This book is an introduction and guide to the film of Australia and New Zealand With entries on many exceptional producers directors writers and actors as well as the films indicated above and many others this reference also presents the early pioneers the film companies and government bodies and much more in its hundreds of cross referenced dictionary entries Through a chronology that shows how far these cinemas have come in a short time and an introduction that presents them more broadly a clear portrait of the two countries motion pictures emerge The bibliography is an excellent source for further reading      *Media Madness* Otto F. Wahl,1995 From *Psycho* *Silence of the Lambs* *Kojak* and *Melrose Place* from books music cartoons advertising and newspapers we all derive our images of mental illness These omnipresent media portrayals are at the least insensitive inaccurate and unfavorable and at the worst stigmatizing and pernicious In this important book Dr Otto Wahl examines the prevalence nature and impact of such depictions using numerous examples from film television and print media He documents the remarkable frequency of these images and demonstrates how the media has stereotyped the mentally ill through exaggeration misunderstanding ridicule and disrespect *Media Madness* also shows the damaging consequences of such stereotypes stigma rejection loss of self esteem reluctance to seek accept or reveal psychiatric treatment discrimination and restriction of opportunity The forces that shape current images of mental illness are clarified as are the efforts of organizations and individuals to combat such exploitation
