Time Out Florence Editors of Time Out, 2011-12-27 Florence has the greatest collection of Renaissance art in the world and a character list that reads like a Who's Who of the period's greatest artists and thinkers: u Dante Leonardo Michaelangelo u not to mention the powerful families who financed their work the Medici and the Strozzi. Evidence of their lasting influence abounds today including the discovery of a Leonardo fresco beneath a painting by Vasari and the unearthing of Michaelangelo's plans for a church facade. The city's challenge today is to manage the resultant tourist hordes: a new entrance to an enlarged Uffizi should double tourist numbers to the gallery while a tramline is intended to reduce the city's traffic.
