An Intelligent Person's Guide to Christian Ethics Alban McCoy, 2004-12-01 From a view that could be described as enlightened orthodoxy McCoy tackles a wide range of issues such as Is there a Christian perspective on the war in Iraq that is not simply a human perspective Are Christian ethics pumped up or watered down humanist ethics What is a distinctly Christian view in modern secularized society Do the Bible and the Natural Law really still have any relevance to the burning moral issues of the day As scientific progress raises moral issues of dazzling complexity do traditional attitudes to abortion euthanasia in vitro fertilization and human embryology still make any sense How long should we prolong life Should we ever assist death Fr Alban McCoy is a sure and enlightened guide to these questions *The Salt of the Earth* Martyn

Percy, 2016-10-06 This is a sparkling collection of essays by one of Britain's best known and acute commentators of the church scene and of contemporary religious life Martyn Percy explores new liberalism the churches and human rights in the European Union football and religion pilgrimage demonology common spirituality religious attitudes to nudity and the relationship between religion and advertising The argument running throughout this book is that despite claims and the appearance of increasing secularity the influence of religious themes and values on our everyday life remains pervasive
