SEVENTH EDITION

Ronald W. Toseland
Robert F. Rivas

An Introduction To Group Work Practice 7th Edition

Ronald W. Toseland, Robert F. Rivas

An Introduction To Group Work Practice 7th Edition:

An Introduction to Group Work Practice Ronald W. Toseland, Robert F. Rivas, 2009 The perfect text for preparing students to work with either treatment ongoing or task special focus groups this newly revised edition offers the most up to date research available in the social work field An Introduction to Group Work Practice Sixth Edition continues to stress the importance of developing skills in group work and provides the most comprehensive information available on the market today Students receive a thorough grounding in areas that vary from treatment to organizational and community settings The addition of new case studies practice examples and guiding principles add to the ease and readability of this popular text

An Introduction to Group Work Practice RONALD. RIVAS TOSELAND (ROBERT.), Robert Rivas, 2021-01-06 **An Introduction to Group Work Practice** Ronald W. Toseland, Robert F. Rivas, 1998 The third edition includes a sharper focus on generalist practice and on typologies which illustrate group work practice both treatment groups and task groups at the micro meso and macro level Additions include a new chapter on leadership and diversity and new material on confidentiality tele **Microaggressions and Social Work Research, Practice and Education** Michael S. Spencer, 2020-09-10 While blatant forms of racism and discrimination have largely been condemned in our society systematic oppression and racism can be manifested in a less obvious form as microaggressions The term originally developed in the 1970s by Chester Peirce to describe the ways in which Black people were put down by their White counterparts has since been expanded to describe both conscious and unconscious acts that reflect superiority hostility and racially inflicted insults and demeanors to marginalized groups of people This book provides a platform for social work researchers scholars and practitioners to present their research ideas and practices pertaining to ways in which microaggressions and other subtle but lethal forms of discrimination impact marginalized populations within social work and human services Contributors discuss the impact of microaggressions in social work as they relate to race gender and gender expression sexual orientation class and spirituality The book also examines curriculum pedagogy and the academic climate as targets for intervention in social work education This book was originally published as a series of special issues of the Journal of Ethnic and Cultural Diversity in Social Work

Not Just Play Meryl Nadel, Susan Scher, 2019-05-20 Camps often provide children with a first taste of independence and freedom from the restrictions of home and school while offering a milieu full of opportunities for psychosocial development creative interaction and mutual aid Though summer camps have simultaneously given current and future social workers educational practice research and theory development opportunities as they direct staff attend and provide supervision the field has received limited scholarly attention Not Just Play focuses on the relationship between social work and the summer camp movement and provides a comprehensive treatment of this underappreciated area of practice Social workers and camp professionals will value the many advantages and connections explored in the volume which also incorporates case vignettes and core scholarly research The text offers readers a multifaceted examination of social work and summer camp that

broadens their professional and scholarly perspective

Encyclopedia of Social Work with Groups Alex

Gitterman, Robert Salmon, 2009-06-02 What do you have to know today to be an effective group worker and what are the different group work approaches With 110 articles and entries this book provides a comprehensive overview of social work with groups from its initial development to its astounding range of diverse practice today with many populations in different places The articles have been written by social workers trained in the group approach from the United States Canada England Australia Spain and Japan and all involved are well known group workers acknowledged as experts in the area The book covers all aspects of social work with groups including its history values major models approaches and methods education research journals phases of development working with specific populations and ages plus many more Each article includes references which can be a major resource for future exploration in the particular subject area Both editors have many years of productive work in group work practice and other areas and are board members of The Association for the Advancement of Social Work with Groups The Encyclopedia of Social Work with Groups will be of interest to students practitioners social work faculty novice and experienced group workers

Handbook of Social Work with Groups

Charles D. Garvin, Lorraine M. Gutiérrez, Maeda J. Galinsky, 2017-05-16 This definitive text now revised and expanded has introduced thousands of students and practitioners to the theory and practice of social work with groups Leading authorities outline major models of group work and address critical issues in planning implementing and evaluating interventions The Handbook describes applications in all the major practice settings mental health prevention child welfare substance abuse health care aging corrections and more as well as organizational and community settings A strong focus on empowerment social justice and diversity is woven throughout The empirical foundations of group work are reviewed and innovative research methods discussed New to This Edition Incorporates over a decade of advances in the field Heightened focus on practitioner researcher collaboration Two chapters on substance abuse prevention with youth Chapters on social justice work evidence based practice offender reentry intimate partner violence intergroup dialogue working with immigrants and refugees qualitative methods and intervention research Major updates on existing topics such as cognitive behavioral group work psychoeducational groups health care settings and technology mediated groups Integrative epilogue that synthesizes key themes

Group Work Bradley T. Erford, 2018-04-17 The overriding theme of *Group Work Processes and Applications* is a focus on the specialized group work that counselors perform from a systemic perspective in a multicultural context This text briefly covers traditional theoretical approaches focusing more on the techniques and applications of the approaches but the core of the text involves the systemic approach to group work preparing group leaders to facilitate the systemic group process from planning the group through the four stages of group work forming and orienting transition working and termination The content is aligned with 2016 CACREP standards Numerous other techniques covered are linked with specific theoretical orientations PowerPoints and Instructor s manual are on the way and should be available in the next 2 3 months

An Introduction to Group Work Practice, Books a la Carte Edition Ronald W. Toseland, Robert F. Rivas, 2011 This comprehensive group practice text prepares students to work with either treatment or task oriented groups this comprehensive revised edition offers the most up to date research available and continues to stress the importance of developing skills in group work Students receive a thorough grounding in areas that vary from treatment to organizational and community settings Numerous case studies practice examples and guiding principles add to the ease and readability of this popular text Content is tied to CSWE s core competencies and practice behaviors that are necessary for generalist and specialized social work practice with groups

The Handbook of Community Practice Marie Weil, Michael S. Reisch, Mary L. Ohmer, 2013 Written by some of the most influential scholars in the field this Handbook covers community development organizing planning and social change as well as key issues fields of practice and global approaches
