An Introduction to Jewish-Christian Relations Edward Kessler, 2014-05-14 Studies the ongoing encounter between Judaism and Christianity from the Jewish context of the New Testament to modern days [Introduction to Jewish-Christian Relations](#) Michael Shermis, Arthur E. Zannoni, 2003-12-19 In recent decades Christians and Jews are beginning to ask questions about one another's traditions to break down centuries old barriers of prejudice and to explore not only our differences but our similarities of faith as well This book walks the reader through rich but controversial terrain the Bible the Holocaust the state of Israel anti Judaism theology Christology intermarriage feminism and approaches to education In each area the reader is asked to listen to be open to stretch and to wrestle with the deeply felt beliefs that unite as well as divide us The authors representing Jewish Protestant and Catholic traditions introduce the reader to the terms content and intricacies of inter religious dialogue the quest for better relations among all those who worship the God of Abraham and Sarah

An Introduction to Jewish-Christian Relations Edward Kessler, 2010-02-18 Relations between Christians and Jews over the past two thousand years have been characterised to a great extent by mutual distrust and by Christian discrimination and violence against Jews In recent decades however a new spirit of dialogue has been emerging beginning with an awakening among Christians of the Jewish origins of Christianity and encouraging scholars of both traditions to work together An Introduction to Jewish Christian Relations sheds fresh light on this ongoing interfaith encounter exploring key writings and themes in Jewish Christian history from the Jewish context of the New Testament to major events of modern times including the rise of ecumenism the horrors of the Holocaust and the creation of the state of Israel This accessible theological and historical study also touches on numerous related areas such as Jewish and interfaith studies philosophy sociology cultural studies international relations and the political sciences *Understanding the Other* Jacob Beyers, 2017-08-31 In a religious pluralistic society the other cannot be ignored even less so when there is a familial relationship between religions The way in which Judaism and Christianity relate can be conceptualised in many different forms depending on the theory one subscribes to Did Judaism and Christianity derive from a common ancestor Did Christianity spring from Judaism and if so when Why did the final cut between the two take place Did Christianity replace Judaism If so how can the relationship between them now be described Before interaction between the two religions is possible an honest and unbiased attempt to understand each other must be mutual This is a painful and difficult exercise as Christians and Jews seem to have been at odds since forever This publication is not the final word on the relationship but perhaps it serves as an invitation to Jews and Christians for peaceful engagement *The Jewish Connection to Israel, the Promised Land* Rabbi Eugene Korn, PhD, 2012-10-04 A window into the Jewish People's connection to Israel written especially for Christians Israel has taken Jewish sacred history peoplehood and ethics out of the realm of speculation and put them into the crucible of real life experience In returning the Jewish People to its homeland Israel has returned Jews to

material reality with all its challenges The Jewish People's return to the Land returns Judaism to its original vision and the Jewish People to the responsibilities of the biblical covenant from Chapter 9 Along with illuminating the importance of Israel for Jews this special book examines the Jewish return to Zion as a significant theological event that strengthens the foundations of the Christian faith and its mission In clear and accessible language this introduction guides Christians through the essential meanings of Israel for the Jewish People and for the world It defines Israel as an indispensable part of Judaism's vision for the Jewish People to be a kingdom of priests and a holy people as a partner with God in the Bible's sacred covenant It examines Israel a sovereign Jewish state as a safe refuge and home for Jews fleeing persecution anywhere in the world and how this gives meaning to the Jewish People's convictions that the future can be more secure than the past The State of Israel stands at the center of how Jews see themselves today as individuals as well as at the center of the Jewish People's collective self perception As a result understanding Judaism and the Jewish People is possible only by grasping the Jewish hopes dreams and experiences that center around Israel the promised land

Jewish-Christian Relations Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz's thesis that the anti Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians Peter C Phan Professor Chair of Catholic Social Thought Georgetown University President of the Catholic Theological Society of America Standing on a brilliant and insightful reconstruction of Paul and on a quite shocking but perhaps compelling reading of Mark the author offers a number of original and in some cases quite compelling theoretical reconstructions of the context and purposes of early Christian texts a work of sublime moral passion David P Gushee Distinguished University Professor of Christian Ethics and Director Center for Theology and Public Life Mercer University President elect American Academy of Religion Author of Kingdom Ethics Following Jesus in Contemporary Context An intrepid excursion into the Christian discourse The quest of an intellectual a humanist Interesting and in fact overwhelming A timely and honest engagement of the Christian texts authors and scholars by a Jewish intellectual Burton L Mack Professor of Early Christianity Claremont School of Theology California author of A Myth of Innocence Mark and Christian Origins There is great merit to Bibliowicz's approach I highly recommend this book for anyone interested in the Jewish Christian dialogue Scholars may disagree with a number of Bibliowicz conclusions as I do with his interpretation of the Epistle to the Hebrews But even in disagreeing scholars in the field of Jewish Christian studies will learn new ways of challenging and thinking about old presumptions Eugene J Fisher Distinguished Professor of Theology Saint Leo University Former staff person for Catholic Jewish relations for the U S Conference of Catholic Bishops Consultor to the Vatican Commission for Religious Relations with the Jews member of the International Catholic Jewish Liaison Committee representing the Holy See An important work Sensitive and deeply researched In the deepest sense a profound theological work Clark M Williamson Professor Christian Theological Seminary Indiana author of Way of Blessing Way of Life A Christian Theology I very much appreciated the depth and scope of the scholarship accompanied by the kind and humble spirit of the author it may also prove to be one of the formidable and formative scholarly contributions of the decade for both biblical and historical scholars Michael Thompson Professor Religious Studies Oklahoma State University In methodical and precise fashion Bibliowicz takes the reader through the relevant ancient Christian texts bearing on the question at hand In so doing he proposes an intriguing compelling thesis The book should prove to be a major voice in the ongoing debate Brooks Schramm Professor of Biblical Studies Lutheran Theological Seminary Impressive work With this impassioned study available to us it will no longer be possible for us to ignore the unintended ways the unthinkable came to be and still say we did not know Didier Pollefeyt Professor Faculty of Theology and Religious Studies Katholieke Universiteit Leuven Belgium coauthor of Anti Judaism and the Fourth Gospel and

Paul and Judaism An original and plausible claim that goes beyond most of modern scholarship a solid contribution to the study of anti Judaism in early Christianity Joseph B Tyson Professor Religious Studies Southern Methodist University author of Marcion and Luke Acts A Defining Struggle Well researched and thorough Intelligent and thoughtful accessible the argumentation compelling Michele Murray Professor Bishop s University Canada author of Playing a Jewish Game Gentile Christian Judaizing in the First and Second Centuries C E A detailed and insightful exploration of the writings of the early Jesus movement argues convincingly that the origins of Christian anti Judaism are to be found among early non Jewish followers of Jesus who were in conflict with Jesus s disciples and first followers a must read Tim Hegedus Professor of New Testament Waterloo Lutheran Seminary Wilfrid Laurier University Canada Bibliowicz uses solid scholarship to engage large and difficult topics while managing to be balanced and clear invites Christians to walk a deep journey toward truth and suggests a compelling nuance that the conflicts in the early texts were between Jewish and Gentile followers of Jesus not between Jews and Christians David L Coppola Executive Director Center for Christian Jewish Understanding Sacred Heart University A meticulous study a mammoth endeavor goes beyond others in his interpretation of the evidence tracing and documenting distinctions and tensions in the early Jesus movement N A Beck Professor of Theology and Classical Languages Texas Lutheran University author of Mature Christianity in the 21st Century The Recognition and Repudiation of the Anti Jewish Polemic of the New Testament The topics Bibliowicz engages are complex Although some of his interpretations are controversial Gentile Christians should set aside apologetical agendas and honestly ponder the challenges put forward by the author Dale C Allison Jr Professor of New Testament Princeton Theological Seminary author of Constructing Jesus History Memory and Imagination *Luke and the Jewish Other* David Andrew Smith, 2023-09-29 Luke and the Jewish Other takes up the debated question of the orientation of Luke toward the Jewish people Building on recent studies in the social history of early Jewish Christian relations it offers an analysis of Luke s portrayal of Jewish and Christian identities that challenges the common assumption that the construction of religious identity in antiquity necessarily depended upon antagonistic relations with others Taking account of the deep and often divisive difference that belief in Jesus made in Luke s community the author argues that Luke hoped to bring about both a rapprochement with and the conversion of contemporary Jews Through this account of identity and alterity in the Gospel of Luke the book cuts across boundaries of biblical studies history theology and social theory proposing a way forward for the study of Luke s relation to Judaism and of the parting of the ways between Jews and Christians in the early Common Era
