An Introduction To The New Testament For Catholics:

An Introduction to the New Testament for Catholics Joseph F. Kelly, 2016-03-24 The title of this book may be a bit puzzling a Catholic introduction to the New Testament The New Testament belongs to all Christians and the modern study of the New Testament has benefited from the contributions by scholars of all Christian denominations But there are questions and issues in the New Testament that are specific to Catholics such as the portrayal of Jesus mother Mary the commissioning of Peter and the Trinity In this volume Joseph Kelly provides an introduction to the New Testament for students and deals with the concerns of modern Catholics reading the Bible It s a book that Catholic teachers can use rather than a book that presents them with problems they have to explain Kelly helps readers to understand what modern scholars especially Catholic biblical exegetes say about the individual books because we cannot understand what role Jesus can play in modern life if we don t understand what he meant to the earliest Christians The New Testament tells the story of Jesus the most remarkable person who ever lived and of his disciples It includes some of the most famous narratives in the world and the most memorable words ever spoken It introduces us to great people who moved history and of those who took the difficult step of leaving the religions of their ancestors and families to become Christians Kelly shows that in looking at the New Testament we see real people communicating with us sharing their beliefs their fears and their hopes Distant yet familiar challenging yet comprehensible the New Testament is a precious heritage and one that Kelly recommends we must make our own Joseph F Kelly PhD is professor of religious studies at John Carroll University in Cleveland Ohio He is the author of *The World of the Early Christians* *The Problem of Evil in the Western Tradition* *Responding to Evil* *The Origins of Christmas* and *The Collegeville Church History Time Line* published by Liturgical Press

A Walk Through the New Testament

Margaret Nutting Ralph, 2009 *A Walk Through the New Testament* is a companion volume for adult Catholics as they read the New Testament helping them apply the Catholic approach to Scripture the contextualist approach to their reading in order to better understand what inspired biblical authors are teaching them about their relationship with God

An Introduction to the New Testament for Catholics Joseph F. Kelly, 2006 Kelly shows that in looking at the New Testament we see real people communicating with us sharing their beliefs their fears and their hopes Distant yet familiar challenging yet comprehensible the New Testament is a precious heritage and one that Kelly recommends we must make our own Kelly helps readers to understand what modern scholars say about the individual books He argues that we can t understand what role Jesus can play in modern life if we don t understand what he meant to the earliest Christians
