Bloomingdale's Maxine Brady, 1980 The folder may include clippings announcements small exhibition catalogs advertisements and other ephemeral items **Ever, Dirk** John Coldstream, 2011-09-08 The hitherto unpublished Dirk Bogarde the best of his marvellous letters The success of John Coldstream's bestselling biography of Dirk Bogarde demonstrates that the interest in one of Britain's leading actors memoirists and novelists does not diminish even though it is a decade since his death Bogarde was a secretive man who destroyed many of his own papers and diaries Fortunately the recipients of his letters treasured them enabling John Coldstream to bring together this fascinating collection of hitherto unpublished material Bogarde wrote to each correspondent according to the nature of the friendship but invariably he was frank gossipy funny and often malicious The joy of writing particularly as he grew older and chose to live in France was never far away The letters display the qualities familiar to those who knew the private Bogarde acute observation laser like intelligence impatience with the foolish compassion for the needy a relish for the witty metaphor and a catastrophic disdain for correct spelling and punctuation Above all to read his letters is to hear him talk and no conversation with Dirk Bogarde was dull Recipients included the film director Joseph Losey Bogarde's first publisher Norah Smallwood the film critic Dilys Powell and the novelist Penelope Mortimer **The Trade Marks Journal** , 1997 **Cosmopolitan** , 1975-07 **Novel Frames** Joseph R. Urgo, 1991 Urgo argues that when literary texts depict selfhood in a particular historical context they convey more knowledge about society than the texts explicitly acknowledge This knowledge is not primarily historically accurate information but it consists of criticisms and questions that can help to formulate a contemporary cultural criticism connected to the American literary past Urgo reformulates the argument about race and identity in America in Ellison's *Invisible Man* and uses it to interpret TV coverage of Jesse Jackson in 1988 Faulkner's *Sanctuary* helps Urgo raise questions about sexuality and pornography and through these discourses of regulated desire about magazines like *Glamour* Cather's *A Lost Lady* 1923 provides ways of thinking about historical change and discontinuity which he uses to interpret alternative movements and texts from the 1960s such as Yippie anarchism and *Overthrow* magazine ISBN 0 87805 530 4 35 00 **New York Magazine** , 1969-12-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York** , 2000-10 **The Cost of Making Urban Rail Transit Accessible to the Handicapped** United States.
