Ortatrox Donald E. Horn,2017-07-14 The story that you about to read could one day come true Unexplained things are always being discovered Many people constantly talk about being abducted by aliens Some people have indeed disappeared without a trace and were never heard from ever again The Government doesnt like the public talking about this type of thing Because they are afraid of many people panicking and going off the deep end So they try to cover it up the best way that they can But they can not stop all of the leaks from within their own system The story takes place high up in the Rocky Mountain Range in the state of Oregon If you dont believe that some things just dont exist wait until you have read this book The most unusual things have come to light Could it be fact or fiction You be the judge For even myself have seen some things that should have never been possible
