Hawkins,2016-01-08 Easy to spot yet complicated to define conceptualize and determine what does self confidence really mean One of the major requirements to life success joy and reaching your objectives is confidence Having real self esteem will help you thrive in just about every part of your life Let s get directly to the point you were not born with high self confidence That is self confidence is not something inherent but this can be taught nurtured and constructed over the years at any phase in life Here Is A Preview Of What You ll Discover Self Evaluation Identify Validate Self Forgiveness Rest Be Thankful Soul Searching Lose Weight For Confidence Positive Changes How Would I Search For The Answers Within Myself Quit Smoking Example Music As Tool Ways To Explore Your Mind Use Your Powers To Find Your Own Answers The Highway To Success Take Time To Explore Yourself *Workaholic's Rehab* Trevor Hawkins,2015-12-28 Admittedly the most common problem in todays workforce is too many are too lazy to move their butts and work In some respects being workaholic is an admirable trait But as with anything in life even the good becomes a negative when uncontrolled Although it s a admirable to take responsibility and work real hard to provide well for the family We still need to take it in moderation Too much and it will minimize the quality of life relationships and health because every waking moment is just spent working It is the goal of this book to help balance your work life and ensure you don t go overboard It s understandable and commendable to take care of business but as long as you are not in absolute control as much as drug addicts are not really in control of their addictions to their vices cigarettes drugs alcohol or spending every waking moment at work It is a problem Overlooked underestimated but a problem nonetheless Engineering & Raising Children Who Succeed!
