**God Wants You Well** Andrew Wommack,2018-12-17 Health is something everyone wants Billions of dollars are spent each year trying to retain or restore health It is a basic desire of all mankind Anyone who likes sickness must be mentally sick Yet religion has told us that God is the one who wants us sick It even tries to make us believe that sickness is a blessing That s just not true God wants you well *Grace* Andrew Wommack,2018-12-17 Good Enough for God Recent surveys indicate that the vast majority of Christians those claiming to be born again believe that their salvation is at least in part dependent upon their behavior and actions Yes they believe Jesus died for their sin but once they accept Him as their savior they believe they must still meet a certain standard to be good enough If that is true then what is that standard and how do you know when you have met it The Church has tried to answer these questions for centuries and it always results in religious and legalistic bondage So what is the answer It begins by asking the right question It is not What must we do but rather What did Jesus do By understanding the Apostle Paul s revelation of what Jesus did from the book of Romans you will never again wonder if you re meeting the standard

**You've Already Got It!** Andrew Wommack,2018-12-18 God can do anything but did you know He has already done everything Instead of asking the Lord to do something for you revive you heal you bless you prosper you accept what He has already done for you through the death burial and resurrection of Jesus Christ God has left you precious promises in His Word and those promises belong to you right now through Christ As you see for yourself what God has already done for you and in you your walk with Him will become a joy and an adventure you never thought possible Your faith in Him will be quickened your heart encouraged and your feet firmly set on His pathway of victory **A Better Way to Pray** Andrew Wommack,2019-03-07 After nearly four decades of ministry Andrew Wommack has discovered some important truths about prayer His prayer life is much different than it was thirty years ago and the results have dramatically improved You may be asking many of the same questions Andrew once did Is prayer my Christian duty Is prayer primarily about asking God to meet my needs and the needs of others Is God s answer to my prayer based on the degree of my humility and sincerity Is answered prayer a sovereign decision of God or do I have the ability to influence Him Clear scriptural answers to these questions and more could significantly change the way you pray These principles may not be the only way to pray but if you re not getting the results you desire consider changing directions maybe there is A Better Way to Pray

**The Believer's Authority** Andrew Wommack, 2009. Andrew Wommack, host of the 1 fastest growing ministry on television, reveals the spiritual significance of choices, words and actions. You will learn to release God's power of blessing instead of yielding to Satan's power of sin and death. Enter the Holy Spirit, Exit Me Virginia S. Saunders, 2012-06-21. Enter the Holy Spirit Exit Me was the result of quickened words from the Holy Spirit on January 5, 2012, when Ms. Saunders was reading Psalm 96:3 which told her to Tell His glory among the nations. Among all peoples His wondrous deeds. As a successful and established writer in Asia, she has not written anything of value for twelve years ever since her husband died in June 2000. His passing created in her a writer's block that was excruciatingly painful and fearful. But when she heeded the prompting of the Holy Spirit, immediately lifted her writer's block, inspiring her to write about the supernatural actions and gifts she has been experiencing since 1993 after attending a charismatic seminar and receiving the baptism of the Holy Spirit. These gifts included praying tongues, healing hands, prophecies and visions. Be inspired. The supernatural gifts are for everyone. Ms. Saunders tells you how to receive it.

**The Worldview of the Word of Faith Movement: Eden Redeemed** Mikael Stenhammar, 2021-12-16. This volume approaches the Word of Faith as a worldview and analyses the movement through N. T. Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism. *Journal of the House of Representatives of the State of Missouri at the ...
