Dietz,2015-07-28 The national bestselling author of the Legion of the Damned novels returns to his dark mutant world where Police Detective Cassandra Lee is on the trail of a brutal murderer The year is 2065 almost thirty years since a bioterrorist attack decimated the population The world has been divided and new nations have formed Those mutated from exposure inhabit the red zones while norms live in the green zones In the nation of Pacifica Los Angeles detective Cassandra Lee is in charge of investigating a disturbing case tracking a cop killer dubbed the Bonebreaker But strange new murders have occurred falling outside the normal pattern and leaving Lee and her team wondering if the serial killer has become unpredictable or if he s no longer acting alone To make matters worse Lee s attention is diverted after she receives a letter from her long lost mother Now she must venture into the red zone a lawless land where might makes right and where the biggest danger may be her own family **EarthRise** William C. Dietz,2016-04-28 After the vicious insect like aliens called the Saurons invaded Earth and killed billions they enslaved the survivors forcing them to build mysterious temples under brutal conditions In an effort to control their human slaves the Saurons install a puppet president to keep them under control But President Alexander Franklin and Chief of Security Jack Manning aren t about to play along Rebellion

is in the air and the fight for freedom is spreading far and wide from the center of activity in Washington to the distant lands of Guatemala. A diverse group of rebels including an ex-FBI agent, a doctor inside the heart of enemy territory, and the president will have to band together with a host of other insurgents from across war-torn Earth to overcome impossible odds if they're to save what's left of humankind. With non-stop action and a remarkable cast of characters, the epic conclusion to William C. Dietz's *DeathDay* is a thrilling tale of adversity, rebellion, strength, and humanity in a futuristic world where the survival of the many lies in the hands of the brave few. *For More Than Glory* William C. Dietz, 2017-09-18 The New York Times bestselling author's military sci-fi saga continues as the fate of a remote planet decides the future of the Confederacy. Second Lt. Antonio Santana was considered a hero until he refused an order to fire on unarmed civilians. Now stripped of his rank, he's been posted to the isolated planet of LaNor. Since its discovery, LaNor has attracted attention from all corners of the still precarious Confederacy of Sentient Beings, all with an eye to exploiting its location and natural resources. As for the native LaNorians, little concern is paid to them except as a steady supply of cheap labor. But now, led by their empress, the LaNorians are ready to launch a rebellion. Taken by surprise and suddenly surrounded, the competing interests must band together for survival. It is an unlikely alliance held together by Santana's courage and the diplomatic prowess of his sometime lover, Christine Vanderveen. Even as the Legion and its newfound allies struggle to fend off the LaNorians, Santana begins to suspect that they all may be pawns in a much greater and deadlier campaign. Someone else is behind the uprising. And their true objective is to spread the chaos of war far beyond LaNor. An elaborate military political thriller, Dietz has created an intricate tapestry of local and star-faring culture with top-notch action sequences. Publishers Weekly **DeathDay** William C. Dietz, 2016-04-28 Enslaved after the slaughter of billions by a violent race of aliens called the Saurons, Earth's few remaining humans are forced into back-breaking labor, building mysterious temples for their new masters. The captors claim that these temples, once finished, will allow them to leave Earth in peace once again. They enlist Alexander Franklin, former governor of Washington, as the head of their puppet government to help manage their mission. Meanwhile, a group of escaped slaves form a resistance movement which grows with each passing day. When former government bodyguard Jack Manning, well-versed in the art of survival, finds himself placed in the center of power as security for Franklin, he learns the brutal truth behind the temples. He faces an agonizing choice: to stay where he is, alongside the woman he loves, or to aid the rebels and their fight for freedom. The survival of the human race hangs in the balance. With intense, fast-paced action, an unforgettable hero, and a riveting story, *DeathDay* is the first book in a series by bestselling science fiction author William C. Dietz.
