Angel Over My Shoulder:

Angel Over My Shoulder Pepper Pace, Andrea Watts, 2014-03-22 He was the presence that was always in her dreams He was mostly the backdrop but at times he came to the forefront She never knew a time when he wasn't somewhere in her dreams either watching in the distance or standing just behind her For all of her young life Leslie has lived two realities the one that happened in real life and the other that took place weeks or months before in her dreams No matter how bad Angel was always there to watch over her He never grew older and she didn't think to question his presence And then one fateful day Angel shows her a series of events that will change her life and send young Leslie into a tailspin that will test her very sanity In this multicultural paranormal erotic romance Pepper Pace weaves a tale of a tragic and disturbed young girl whose fate is written or is it

An Angel On My Shoulder David Callinan, 2011 Spiritual Metaphysical thriller For fans of Dean Koontz John Saul Clive Barker The new Messiah is alive on Earth today but cannot read or write Not what the prophets churches and religions have been expecting This being is destined to sweep away all current religions and beliefs and prepare the world for a transcendental shift in human consciousness And one man has been chosen to transcribe the Messiah's words and reveal them to the world Paul is an ordinary man with an ordinary family and a pretty ordinary job Why such a man should be chosen by an angel group to fulfil a quest that will help transform the planet is anyone's guess And the angels are nothing like the figures of myth and legend Convinced he is going mad or sinking into schizophrenia Paul plays along with the angels until he is attacked by dark forces as his odyssey takes him from Europe to Greece India and Nepal finally reaching the high Andes of Peru and the Monastery of the Seven Rays And his own life and the lives of his family are put in mortal danger

Angel on my Shoulder Julie Poole, 2014-09-09 Sarah is having a bad day At 37 life is going nowhere fast She's been dumped by her latest boyfriend again She's lost her latest job again And her mother's driving her mad again To top it all she

can't even have a moan in peace without Clarabell piping up every two minutes trying to cheer her up again. Clarabell is of course Sarah's Guardian Angel whose job it is to constantly keep Sarah's spirits up and an annoying distraction to say the least. Clarabell certainly has her work cut out. Having reached rock bottom, Sarah reluctantly accepts Clarabell's help, growing gradually from a chaotic, lost young woman into the person she always wanted to be. With the angels' help, she is ready at last for her soul mate Simon to enter her life. Throughout her journey, a team of angels have regular inter-angel cy meetings, mapping out and planning Sarah's life for her, often getting it very wrong with hilarious results. Sarah's story brings hope, magic, and inspiration from the beginning right through to its uplifting conclusion, drawing the reader into an emotional roller coaster that will make you laugh, cry, and ultimately leave you with a smile on your face and quite possibly with an empty box of tissues.

There Is an Angel on My Shoulder Howard Snoke, 2009-05 All thru my life I have had challenges from the death of my mom and brother and every turn there were more challenges. This book will explain just how I overcame these challenges. I explain how I lost my mom and brother in an automobile accident. The book tells you how a nine-year-old boy overcame those challenges and was placed in an orphanage and after six years why I ran off and what the consequences were. It is a book of determination and keeping the greatest attitude possible to achieve my goals. It explains how I lost promotions, do to the good ole boy network and still challenged the system to win. I explain how I entered the Air Force and the challenges that I overcame to reach to top and never gave up. I loved my country and the Air Force made a man out of me and taught me responsibilities that were beyond my expectations. I explain what a shock it was to change back to a civilian life and the mistakes I made. It's all here. I have explained how my marriage was challenged and the struggles we faced and with a beautiful wife overcame the difference. My Postal career was a struggle but I was the best in my field and my achievements proved that. My determination to educate myself and keep that great attitude kept me going. I explain in this book that you can reach the stars if you want to. Your attitude and determination and the help from your Angel is all that you need. I proved that after retirement life is just beginning if you set new goals and I did. It's political time and the politicians know me.

She Made a Way Nibs Stroupe, 2024-06-04 *She Made a Way* is a memoir of survival and growth under the twin threats of white supremacy and male dominance. It is an intimate story of perseverance and coming of age, how a single white working mother and her only son made their way in the patriarchal and racist world of postwar Helena, Arkansas, a Mississippi river town. It is also a story of transformation, a lifetime of journeying together out of captivity to white supremacy and toward the deeper truth of compassion and liberation. In an era saturated with forces of racism and sexism, we find here a mother and son struggling in their relationship to each other and to America, maintaining love while living toward a new vision of themselves and the world.
