The Angels, Demons & People (Volume 2) Kenneth V. Reeves,1988 *Unseen* Jack

Graham,2013-08-01 When Dr Jack Graham was twenty years old he got the phone call no one wants to receive His father had been ruthlessly attacked and it became clear to young Jack that invisible forces of evil were involved He realized he needed to take the spiritual world more seriously because the real battles we face in life are between the powers of good and evil literally the armies of heaven and hell Through compelling stories practical guidance and biblical truth Dr Graham challenges popular opinions and persistent folklore about heaven and hell good and evil angels and Satan You will come away from this book enlightened about the supernatural world and encouraged that God can provide protection provision and power for whatever lies ahead Each chapter includes questions for group discussion or individual reflection Free online small group curriculum is also available *"The Unseen World" : a Study of Angels and Demons* Bill Prankard,1977 [The Invisible World](#) Anthony DeStefano,2011-03-15 Everybody has one It s called a haunt detector It s the little alarm that goes off in our heads whenever we detect that something mysterious or supernatural has occurred You could be sitting around relaxing one day at home and for no special reason you start thinking about someone Maybe you haven t thought about this person in

years Then the phone rings you pick it up and amazingly it s that person Many of us have experienced this phenomenon What is it Anthony DeStefano answers this compelling question in his fascinating new book The Invisible World No matter how little we may understand or how fleeting such moments can be he explains the reality of the spiritual dimension that surrounds us and shows how it is immediately accessible to everyone All aspects of the spiritual realm are discussed including the existence of angels and demons the whereabouts of loved ones who have passed and even the presence and activity of God in our lives Written to be completely consistent with traditional Christian teaching The Invisible World will help readers embrace a certitude that makes it easier to act according to their moral beliefs give them a greater sense of the richness of life and show them that no amount of suffering in their life physical mental or emotional will ever be able to destroy the profound sense of inner peace that can be experienced on a daily basis For those seeking reassurance about meaning in their life nothing is more significant than to be reminded that no one is alone In The Invisible World Anthony DeStefano shows the truth of this in a captivating and inspiring way
