Angels Tell Parables For Today 1988 Parables:

The Parables Dr. Paul Simpson Duke, 2010-09-01 Many resources have been written to offer assistance in exploring and understanding the lectionary texts for the purpose of preaching However few have sought to provide this kind of preaching commentary on texts that do not follow the lectionary's grouping For those whose preaching does not customarily follow the lectionary and for those who depart from the lectionary text during certain periods of the year little guidance has been offered for how to select and preach on important biblical texts The Parables A Preaching Commentary the third book in The Great Texts series gives guidance to preachers on preaching about this central part of faith The principles by which volumes in The Great Texts series have been chosen are primarily two fold Thematic Texts on certain overarching themes or ideas of the Christian faith are brought together Biblical traditional Texts have long been recognized as belonging together and as being particularly beneficial to the work of preaching

The Fallen Angels Traditions Angela Kim Harkins, Kelley Coblentz Bautch, John C. Endres SJ, 2023-09-14. This collection presents new research in angelology giving special attention to the otherworldly beings known as the Watchers who are able to move between heaven and earth. According to the pseudepigraphic Book of the Watchers 1 Enoch 1:36 these angels descend to mate with women. The collection begins by examining Watchers traditions in biblical and non-biblical writings e.g. Gen 6:1-4 the Qumran Hodayot Book of Jubilees and Book of Revelation. The collection also surveys Watchers traditions among late antique writings including the Apocryphon of John Manichean and Islamic writings testamentary literature the Pseudo Clementines and medieval Scholastic texts. *Stories with Intent* Klyne R. Snodgrass, 2018-02-16. Winner of the 2009 Christianity Today Award for Biblical Studies. *Stories with Intent* offers pastors and students a comprehensive and accessible guide to Jesus parables. Klyne Snodgrass explores in vivid detail the historical context in which these stories were told the part they played in Jesus' overall message and the ways in which they have been interpreted in the church and the academy. Snodgrass begins by surveying the primary issues in parables interpretation and providing an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco-Roman world. He then groups the more important parables of Jesus thematically and offers a comprehensive treatment of each exploring both background and significance for today. This tenth anniversary edition includes a substantial new chapter that surveys developments in the interpretation of parables since the book's original 2008 publication. **Melchizedek and Melchiresac** Paul J.

Kobelski, 2023-11-14. The monograph explores the meaning and role of Melchizedek and Melchiresac in Judaism of late antiquity. In Part I four texts from Qumran are transcribed from the published photographs and translated 11QMelchizedek 4QAmramb 4Qeharot D and 4QBerakot A. The commentary focuses on establishing the reading of the texts and restorations made on the basis of parallel biblical passages and other writings among the Dead Sea Scrolls. Part II examines the role of the heavenly Melchizedek in the Qumran literature particularly in relation to his evil counterpart Melchiresac. These two figures serve as opposing angels who act as leaders of the earthly and heavenly kingdoms of the sons of light and the sons of darkness. Certain Zoroastrian religious concepts that were well known before the second century B.C.E. and that parallel the Essene belief in the spirit leaders of the worlds of light and darkness are also investigated. Part III discusses the influence of the heavenly Melchizedek on the Johannine concept of the Paraclete on the comparison between Christ and Melchizedek in

the NT letter to the Hebrews on the NT Son of Man and on the identification of Melchizedek with the angel Michael

God's Equal Sigurd Grindheim, 2011-08-18 In this book Sigurd Grindheim argues that Jesus implicitly claimed to be God's equal and that his claim to be God's son must be understood in this light. The argument unfolds through analysis of the gospel accounts regarding Jesus' claims to inaugurate the Kingdom of God, his understanding of his miracles, his forgiveness of sins, his expectation to be the ultimate judge of all the world, his claim to speak with an authority that matches that of the Mosaic law, the absolute demands he made to his disciples, and his appropriation for himself of metaphors that in the Scriptures of Israel were exclusively used of YHWH. Furthermore, Grindheim traces these claims back to the Historical Jesus. Through a comprehensive examination of the primary sources, Grindheim argues that Jesus' claims go beyond the claims made on behalf of human and even angelic beings within Second Temple Judaism. Jesus presents himself in a role that in a Jewish context was reserved for YHWH. Man, an Eternal Probationer Green P. Jackson, 1902
