Animals Anonymous Amis Story:

The Odd Couple Richard Bradford, 2012-10-30 Kingsley Amis was a mimic jester father husband atheist pseudo socialist and clubland Tory boozier with a limitless taste for adultery Philip Larkin a glum misanthrope who lived in self imposed solitude And yet after meeting at St John s Oxford in 1941 this unlikely pair struck up a friendship to endure for more than forty years despite a period of acrimony in the 1960s From their early days of undergraduate ambitions and enthusiasms through to the bitterness of middle age Richard Bradford charts the progress of a remarkable friendship and shows how crucial it was to the making of these two literary giants Without Larkin s inspiration and input Amis would never have written his award winning debut *Lucky Jim* if not for Amis s overnight success Larkin would never have abandoned his hopes of becoming a novelist and turned instead to verse Larkin s ensuing resentment would simmer beneath the surface of their relationship for years to come Drawing on an enormous archive of letters manuscripts and interviews *The Odd Couple* not only offers a rare glimpse into the private correspondence of two controversial and eccentric men it also illuminates some of the finest novels and poems of the twentieth century

The Anonymous Marie de France R. Howard Bloch, 2011-04-29 This book by one of our most admired and influential medievalists offers a fundamental reconception of the person generally assumed to be the first woman writer in French the author known as Marie de France *The Anonymous Marie de France* is the first work to consider all of the writing ascribed to Marie including her famous *Lais* her 103 animal fables and the earliest vernacular *Saint Patrick s Purgatory* Evidence about Marie de France s life is so meager that we know next to nothing about her not where she was born and to what rank who her parents were whether she was married or single where she lived and might have traveled whether she dwelled in cloister or at court nor whether in England or France In the face of this great writer s near anonymity scholars have assumed her to be a simple naive and modest Christian figure Bloch s claim in contrast is that Marie is among the most self conscious sophisticated complicated and disturbing figures of her time the Joyce of the twelfth century At a moment of great historical turning the so called Renaissance of the twelfth century Marie was both a disrupter of prevailing cultural values and a founder of new ones Her works Bloch argues reveal an author obsessed by writing by memory and by translation and acutely aware not only of her role in the preservation of cultural memory but of the transforming psychological social and political effects of writing within an oral tradition Marie s intervention lies in her obsession with the performative capacities of literature and in her acute awareness of the role of the subject in interpreting his or her own world According to Bloch Marie develops a theology of language in the *Lais* which emphasize the impossibility of living in the flesh along with a social vision of feudalism in decline She elaborates an ethics of language in the *Fables* which within the context of the court of Henry II frame and form the urban values and legal institutions of the Anglo Norman world And in her *Espurgatoire* she produces a startling examination of the afterlife which Bloch links to the English conquest and occupation of medieval Ireland With a penetrating glimpse into works such as these *The Anonymous Marie de France*

recovers the central achievements of one of the most pivotal figures in French literature It is a study that will be of enormous value to medievalists literary scholars historians of France and anyone interested in the advent of female authorship

Chicorel Index to Short Stories in Anthologies and Collections ,1975 **Telling the Story in the Middle Ages** Kathryn A. Duys,Elizabeth Nicole Emery,Laurie Postlewate,2015 Much of our modern understanding of medieval society and cultures comes through the stories people told and the way they told them Storytelling was for this period not only entertainment it was central to the law religious ritual and teaching as well as the primary mode of delivering news The essays in this volume raise and discuss a number of questions concerning the strategies contexts and narratological features of medieval storytelling They look particularly at who tells the story the audience how a story is told and performed and the manuscript and social context for such tales Laurie Postlewate is Senior Lecturer Department of French Barnard College Kathryn Duys is Associate Professor Department of English and Foreign Languages University of St Francis Elizabeth Emery is Professor of French Montclair State University *Pulp fictions of medieval England* Nicola McDonald,2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license Pulp Fictions of Medieval England demonstrates that popular romance not only merits and rewards serious critical attention but that we ignore it to the detriment of our understanding of the complex and conflicted world of medieval England [The Ottoman World](#) Hakan T. Karateke,Helga Anetshofer,2021-11-02 The Ottoman lands which extended from modern Hungary to the Arabian peninsula were home to a vast population with a rich variety of cultures The Ottoman World is the first primary source reader to bring a wide and diverse set of voices across Ottoman society into the classroom Written in many languages not only Ottoman Turkish but also Arabic Armenian Greek Hebrew Italian and Persian these texts here translated span the extent of the early modern Ottoman empire from the 1450s to 1700 Instructors are supplied with narratives conveying the lived experiences of individuals through texts that highlight human variety and accelerate a trend away from a state centric approach to Ottoman history In addition samples from court registers legends biographical accounts hagiographies short stories witty anecdotes jokes and lampoons provide exciting glimpses into popular mindsets in Ottoman society By reflecting new directions in the scholarship with an innovative choice of texts this collection provides a vital resource for teachers and students [Catalog of Copyright Entries. Third Series](#) Library of Congress. Copyright Office,1971 **Catalogue of Books Added to the Library of Congress** Anonymous,2024-05-31 **The Booklist and Subscription Books Bulletin** ,1967 **A.L.A. Booklist** ,1967
