Anime And The Visual Novel Anime And The Visual Novel:

Anime and the Visual Novel Dani Cavallaro, 2014-10-16 This book describes the thematic and structural traits of a recent and popular development within the realm of anime series adapted from visual novels Visual novels are interactive fiction games in which players creatively control decisions and plot turning points Endings alter according to the player's choices providing a motivation to replay the game and opt for alternative decisions each time Pictorial sumptuousness plot depth and subtle characterization are vital aspects of the medium Anime based on visual novels capitalizes on the parent games attributes yielding thought provoking yarns and complex personalities The History and Allure of Interactive Visual Novels Mark Kretzschmar, Sara Raffel, 2023-06-15 Visual novels VNs a ludic video game genre that pairs textual fiction stories with anime like images and varying degrees of interactivity have increased in popularity among Western audiences in recent years Despite originating in Japan these stories have made their way into global culture as a genre accessible for both play and creation with wide ranging themes from horror and loneliness to sexuality The History and Allure of Interactive Visual Novels begins with a comprehensive overview of the visual novel genre and the cultural evolution that led to its rise then explains the tropes and appeal of subgenres like bishojo cute girl games detective games horror and eroge erotic games Finally the book explores the future of the genre in both user generated games and games from other genres that liberally borrow both narrative and ludological themes from visual novels Whether you're a long standing fan of the genre or a newcomer looking for a fresh experience The History and Allure of Interactive Visual Novels will provide an accessible and critically engaging overview of a genre that is rich in storytelling yet often overlooked **Anime's Identity** Stevie Suan, 2021-11-09 A formal approach to anime rethinks globalization and transnationality under neoliberalism Anime has become synonymous with Japanese culture but its global reach raises a perplexing question what happens when anime is produced outside of Japan Who actually makes anime and how can this help us rethink notions of cultural production In Anime's Identity Stevie Suan examines how anime's recognizable media form no matter where it is produced reflects the problematics of globalization The result is an incisive look at not only anime but also the tensions of transnationality Far from valorizing the individualistic originality so often touted in national creative industries anime reveals an alternate type of creativity based in repetition and variation In exploring this alternative creativity and its accompanying aesthetics Suan examines anime from fresh angles including considerations of how anime operates like a brand of media the intricacies of anime production occurring across national borders inquiries into the selfhood involved in anime's character acting and analyses of various anime works that present differing modes of transnationality Anime's Identity deftly merges theories from media studies and performance studies introducing innovative formal concepts that connect anime to questions of dislocation on a global scale creating a transformative new lens for analyzing popular media Towards Open and Trustworthy Digital Societies Hao-Ren Ke, Chei Sian Lee, Kazunari Sugiyama, 2021-11-30 This book constitutes the refereed proceedings of the

23rd International Conference on Asia Pacific Digital Libraries ICADL 2021 which was held in December 2021 Due to COVID 19 pandemic the conference was held virtually The 17 full 14 short and 5 practice papers presented in this volume were carefully reviewed and selected from 87 submissions The papers were organized in topical sections named Knowledge Discovery from Digital Collections Search for Better User Experience Information Extraction Multimedia Text Classification and Matching Data Infrastructure for Digital Libraries Data Modeling Neural based Learning Focus On: 100 Most Popular Light Novels Wikipedia contributors, **Kyoto Animation** Dani Cavallaro,2012-09-06 Kyoto Animation a studio with very humble beginnings has gained recognition the world over as a uniquely inspired and inventive enterprise This book examines Kyoto Animation s philosophy and creative vision with close reference to its anime It focuses on the studio s choice of genres themes and imagery while exploring its maintenance of high production values The analysis highlights the studio s commitment to the pursuit of both artistic excellence and technical experimentation and its reliance on the imagination and expertise of in house staff *Laughing Matters* Giorgio Baruchello,Ársæll Már Arnarsson,2023-11-06 Part 2 of Volume 3 addresses in detail the conflicts between humor and cruelty i e how cruelty can be unleashed against humor and conversely humor can be utilized against cruelty Potent enmities to mirth and jollity are retrieved from a variety of socio historical contexts ranging from Europe s medieval monasteries to the 2015 Charlie Hebdo massacre Special attention is paid to the cruel humor and humorous cruelty arising thereof insofar as such phenomena can reveal critical aspects of today s neoliberal socio economic order In parallel settings where humor has been used as an instrument to cope with suffered cruelty whether natural or human in origin are also retrieved and discussed These also vary greatly and encompass domains such as hospital wards 20th century Jewish ghettos and contemporary funeral homes A set of concluding reflections is then offered on the psychological theological ethical and metaphysical roots of humor and its cruel rejection Like Aristotle and Dewey Arnarsson and Baruchello do not define their terms at the outset but instead they relentlessly pursue the meanings of two ordinary words that everyone vaguely understands to arrive at a critical insight into the concepts these words represent which are both disparate and interrelated Richard Marc Rubin President George Santayana Society **The World of Angela Carter** Dani Cavallaro,2014-09-24 Angela Carter a prolific author who worked in numerous genres remains one of the most important British writers of the last century She was particularly renowned for her investigation of cultural mythologies which shape our lives but which we often leave unexamined This text explores a selection of Carter s novels and short stories supplemented with her perspectives on politics society and aesthetics and her attempts to redefine popular genres such as the fairy tale This critical work is a strong addition to the scholarship on this important but often overlooked writer *Digital Love* Heidi McDonald,2017-11-02 Scholars and professionals from all over the world across experience levels and the gender and sexuality spectrum share experiences and analysis of romance and sexuality in video games Whether discussing casual sex in the Star Wars universe analyzing various Otome games examining the gaze in various games player

romance behavior in games or exploring the ethical ramifications of sexuality in virtual reality and other emerging technologies this book discusses what players want in video game romance and how developers can best deliver it Key Features Examines the past present and future of romance in single player role playing games Discusses common presentations of romance in single player role playing games both in the category and game mechanics that drive romance Discusses research on how players define a satisfying game romance and what specific steps narrative designers can take to design satisfying games Explains the notion of the empathic game and explores its importance in relation to romance in game design

The Mind of Italo Calvino Dani Cavallaro, 2010-03-10 At the time of his death Italo Calvino was internationally regarded as one of Italy's greatest twentieth century writers His approach to literature was remarkably adventurous and he produced a thought provoking oeuvre It invited readers to engage themselves with radical thoughts and philosophies an approach lamentably scarce in contemporary global culture This book examines Calvino's works of fiction in the context of the philosophical ideas he advanced in his theoretical and critical works His was an extraordinarily versatile mind keen on experimenting with a dazzling variety of both fiction and nonfiction forms
