NASA Technical Note ,1973 Environmental and Financial Performance Evaluation in 3D Printing Using MFCA and LCA Tiago Yuiti Kamiya,Marcell Mariano Corrêa Maceno,Mariana Kleina,2021-03-29 This book presents the methodology of environmental and financial performance evaluation in 3D printing processes using the MFCA and LCA This methodology is divided into 7 main steps which are a identification of the analysis problem for example comparison of different types of 3D printer for use in a given purpose comparison of different printing materials for the same 3D printer technology among others and definition of printing parameters b definition of the product to be printed c preparation of the printing process flow diagram d definition or measurement of the lifespan of the printed product e data collection for the implementation of the LCA tool for example mass and energy balances f data collection for the implementation of the MFCA tool for example mass balances energy balances mass costs energy costs labor costs etc and g comparative assessment of the financial and environmental performance of 3D printing As a way of exemplifying the application of this methodology a real case is presented involving the comparison of two types of materials Polylactic Acid PLA and Polyethylene Glycol Polyterephthalate PETG used in the 3D printing process by FDM technology The part printed in this real case was a clearance gauge used as a joint spacing control by an automobile industry located in Brazil The development of the methodology and consequent application has shown that it can be used by users of 3D printing in the most diverse areas to support their decision in choices that can present the best performance both financial and environmental **Learning and Expanding with**

Activity Theory Anna Lisa Sannino,Annalisa Sannino,Harry Daniels,Kris D. Gutiérrez,2009-08-17 This book is a collection about cultural historical activity theory as it has been developed and applied by Yrj Engestr m The work of Engestr m is both rooted in the legacy of Vygotsky and Leont ev and focuses on current research concerns that are related to learning and development in work practices His publications cross various disciplines and develop intermediate theoretical tools to deal with empirical questions In this volume Engestr m s work is used as a springboard to reflect on the question of the use appropriation and further development of the classic heritage within activity theory The book is structured as a discussion among senior scholars including Y Engestr m himself The work of the authors pushes on classical activity theory to address pressing issues and critical contradictions in local practices and larger social systems **Introduction to Vygotsky**

Harry Daniels,2017-04-26 This thoroughly updated third edition provides students with an accessible overview of Vygotsky s work combining reprints of key journal and text articles with rich editorial commentary Lev Vygotsky provided the twentieth century with an enticing mix of intellectual traditions within an attempt to provide an account of the social formation of the mind His legacy is an exciting but at times challenging fusion of ideas Retaining a multi disciplinary theme Introduction to Vygotsky 3rd edition begins with a review of current interpretations of Vygotsky s original work Harry Daniels goes on to consider the development of Vygotsky s work against a backdrop of political turmoil in the developing USSR Major elements

explored within the volume include the use of the culture concept in social development theory the development of means of describing social life the concept of mediation and implications for teaching learning and assessment This book will be essential reading for Vygotskian students in developmental psychology education and social sciences as well as to students on specialised courses on cultural cross cultural and socio cultural psychology philosophical psychology philosophy of science history of psychology and Soviet Russian history *2018 CFR Annual Print Title 24 Housing and Urban Development Parts 700 to 1699* Office of The Federal Register,2018-04-01 **Activity Management and Reporting System** United States.
