hired professor at Ole Miss and his soon to be wife Sherrie that blossoms with the birth of a musically gifted son Shaun As America explodes with protest and riots in the summer of 2020 after the death of George Floyd as social justice fundamentalists insist on stigmatizing whiteness and hardening the color line rather than healing the divisions that plague us Gussow is forced to fight for what he loves not just the sanctity of his family circle but King's dream of beloved community My Family and I gifts the reader with hope for a future beyond America's seemingly insoluble racial dilemmas

Journeyman's Road Adam Gussow, 2007 Journeyman's Road offers a bold new vision of where the blues have been in the course of the twentieth century and what they have become at the dawn of the new millennium a world music rippling with postmodern contradictions Author Adam Gussow brings a unique perspective to this exploration Not just an award winning scholar and memoirist he is an accomplished blues harmonica player a Handy award nominee and veteran of the international club and festival circuit With this unusual depth of experience Gussow skillfully places blues literature in dialogue with the music that provokes it vibrantly articulating a vital American tradition At the heart of Gussow's story is his own unlikely yet remarkable streetside partnership with Harlem bluesman Sterling Mr Satan Magee a musical collaboration marked not just by a series of polarities black and white Mississippi and Princeton hard won mastery and youthful apprenticeship but by creative energies that pushed beyond apparent differences to forge new dialogues and new sounds Undercutting familiar myths about the down home sources of blues authenticity Gussow celebrates New York's mongrel blues scene the artists the jam sessions the venues the street performers and the eccentrics At once elegiac and forward looking Journeyman's Road offers a collective portrait of the New York subculture struggling with the legacy of 9/11 and healing itself with the blues

Whose Blues? Adam Gussow, 2020-09-28 Mamie Smith's pathbreaking 1920 recording of Crazy Blues set the pop music world on fire inaugurating a new African American market for race records Not long after such records also brought black blues performance to an expanding international audience A century later the mainstream blues world has transformed into a multicultural and transnational melting pot taking the music far beyond the black southern world of its origins But not everybody is happy about that If there's No black No white Just the blues as one familiar meme suggests why do some blues people hear such pronouncements as an aggressive attempt at cultural appropriation and an erasure of traumatic histories that lie deep in the heart of the music Then again if blues is black music as some performers and critics insist what should we make of the vibrant global blues scene with its all comers mix of nationalities and ethnicities In Whose Blues award winning blues scholar and performer Adam Gussow confronts these challenging questions head on Using blues literature and history as a cultural anchor Gussow defines interprets and makes sense of the blues for the new millennium Drawing on the blues tradition's major writers including W C Handy Langston Hughes Zora Neale Hurston and Amiri Baraka and grounded in his first person knowledge of the blues performance scene Gussow's thought provoking book kickstarts a long overdue conversation
