Honoring God with Body and Mind Steven D. Hoogerwerf, 2019-11-13

Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture Does the Christian tradition provide us with a way to think about and act on our natural God given sexual desires Honoring God with Body and Mind invites readers to consider these questions and some ways of answering them by guiding them into a conversational style of moral reflection Unlike many books about Christians and sex this one doesn't simply tell you what to do or not to do Instead you will be led to think about how the meaning of sex can provide sexual boundaries but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision making Informed by many years of conversations with college students the author also invites you to think about practical questions such as these Can men and women be friends without the complications of sexual attraction If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets is there any hope of healing What is lust Is masturbation sinful Can virginity be reclaimed

Singles are getting conflicting messages from today's culture both Christian and secular Is it okay to want to be married Is there anything a never married woman can do within a biblical framework to assist the process Candice Watters gives women permission to want Christian marriage

encourages them to believe it's possible and supplies the tools to get there despite our anti marriage culture This book blends the author's personal journey from singleness to marriage with the biblical perspective on marriage As an editor for Focus on the Family's Boundless webzine Candice Watters knows the target audience inside and out Whether a woman has been told to get married or marriage is on her lifelong wish list Get Married points her to the source **Making Chastity Sexy** Christine J. Gardner, 2011-07-28 Even though they are immersed in sex saturated society millions of teens are pledging to remain virgins until their wedding night How are evangelical Christians persuading young people to wait until marriage Christine J Gardner looks closely at the language of the chastity movement and discovers a savvy campaign that uses sex to sell abstinence Drawing from interviews with evangelical leaders and teenagers she examines the strategy to shift from a negative just say no approach to a positive one just say yes to great sex within marriage Making Chastity Sexy sheds new light on an abstinence campaign that has successfully recast a traditionally feminist idea my body my choice into a powerful message but one that Gardner suggests may ultimately reduce evangelicalism's transformative power Focusing on the United States her study also includes a comparative dimension by examining the export of this evangelical agenda to sub Saharan Africa
