Laughter and Other Gifts of God Gordon

Kainer, 2013-12-03 *Laughter and Other Gifts of God* shows how essential it is to understand the source and significance of laughter, humor, and joy. The author offers compelling reasons why these dynamic qualities need to be motivated and governed by God's love and grace. Discover how laughter is a valuable reflection of God Himself. It is a potent force that stirs you to see another side of things. It may also nudge you toward a new understanding of God and why the most wasted day is the one in which you haven't laughed. The book uses Scripture, scientific research, and humorous stories to answer significant questions: Why do we laugh? What does our laughter say about us? The book demonstrates laughter is not an innocent, neutral, or impartial activity but one with an agenda. Learn how your laughter and sense of humor usually reflect your innermost thoughts and feelings. Find out how a healthy lifestyle includes laughter that by walking with Jesus you can experience joy at every stage of your life.

Laughter and Liberation Harvey Mindess, 2017-07-05 *Laughter and Liberation* is based on the idea that humor is an agent of psychological liberation. Since we are able to include every kind of wit and humor under the umbrella of this thesis, it amounts to an informal, comprehensive theory of the ludicrous. Briefly put, the theory proposes that the most fundamental function of humor is its power to release us from the inhibitions and restrictions under which we live our daily lives. The quest for laughter is as old as man himself. Egyptian pharaohs and Roman emperors went to great lengths to amuse themselves, as did the monarchs of medieval Europe with court jesters. Our speech and literature abound with references to humor, such as "Laugh and the world laughs with you; cry and you cry alone. He who laughs last laughs best. All the world loves a clown. Laugh if you are wise, and a good laugh is sunshine in the house." In *Laughter and Liberation*, Harvey Mindess tells us how laughter and our sense of humor work. He gives us the background of several well-known humorists: Steve Allen, Richard Armour, Sholom Aleichem, and explains his theory of how and why they have become expert in making others laugh.

From Faith to Fun Russell Heddendorf, 2009-02-26 Abraham and Sarah were presented with a paradox when God told them they would have a son in their old age. Paradox in the Old Testament plays an important part in the dialogue between God and the Jews. In the New Testament, paradox is prominent in Jesus' teaching and helps to explain the Christian understanding of salvation.

Prenatal Promises: A Nine Month Devotional for Expectant Mothers Jennifer Pruszinski, 2010-08 Nine months of scripture reflections and prayers focused on God's promises for expectant mothers.

Laughter in Interaction Phillip Glenn, 2003-09-18 *Laughter in Interaction* is an illuminating and lively account of how and why people laugh during conversation. Bringing together twenty-five years of research on the sequential organization of laughter in everyday talk, Glenn analyses recordings and transcripts to show the finely detailed coordination of human laughter. He demonstrates that its production and placement relative to talk and other activities reveal much about its emergent meaning and accomplishments. The book shows how the participants in a conversation move from a single laugh to

laughing together how the matter of who laughs first implicates orientation to social activities and how interactants work out whether laughs are more affiliative or hostile The final chapter examines the contribution of laughter to sequences of conversational intimacy and play and to the invocation of gender Engaging and original the book shows how this seemingly insignificant part of human communication turns out to play a highly significant role in how people display respond to and revise identities and relationships
