Agnes Martin Frances Morris:

Agnes Martin Frances Morris, Tiffany Bell, 2015 A groundbreaking survey of the work of Agnes Martin 1912 2004 one of the pre eminent painters of the twentieth century offering a rich overview of her subtle yet powerful art *Agnes Martin* Suzanne P. Hudson, 2018-07-03 A close examination of Agnes Martin s grid painting in luminous blue and gold Agnes Martin s *Night Sea* 1963 is a large canvas of hand drawn rectangular grids painted in luminous blue and gold In this illustrated study Suzanne Hudson presents the painting as the work of an artist who was also a thinker poet and writer for whom self presentation was a necessary part of making her works public With *Night Sea* Hudson argues Martin 1912 2004 created a shimmering realization of control and loss that stands alone within her suite of classic grid paintings as an exemplary and exceptional achievement Hudson offers a close examination of *Night Sea* and its position within Martin s long and prolific career during which the artist destroyed many works as she sought forms of perfection within self imposed restrictions of color and line For Hudson *Night Sea* stands as the last of Martin s process based works before she turned from oil to acrylic and sought to express emotions of lightness and purity unburdened by evidence of human struggle Drawing from a range of archival records Hudson attempts to draw together the facts surrounding the work which were at times obfuscated by the artist s desire for privacy Critical responses of the time give a sense of the impact of the work and that which followed it Texts by peers including Lenore Tawney Donald Judd and Lucy Lippard are presented alongside interviews with a number of Martin s friends and keepers of estates such as the publisher Ronald Feldman and Kathleen Mangan of the Lenore Tawney archive which holds correspondence between Martin and Tawney [The Story of Art Without Men](#) Katy Hessel, 2023-05-02 Instant New York Times bestseller One of Vanity Fair s Favorite Books to Gift One of PureWow s 42 Books to Gift This Year One of Kirkus s Best Books of 2023 The story of art as it s never been told before from the Renaissance to the present day with more than 300 works of art How many women artists do you know Who makes art history Did women even work as artists before the twentieth century And what is the Baroque anyway Guided by Katy Hessel art historian and founder of thegreatwomenartists discover the glittering paintings by Sofonisba Anguissola of the Renaissance the radical work of Harriet Powers in the nineteenth century United States and the artist who really invented the readymade Explore the Dutch Golden Age the astonishing work of postwar artists in Latin America and the women defining art in the 2020s Have your sense of art history overturned and your eyes opened to many artforms often ignored or dismissed From the Cornish coast to Manhattan Nigeria to Japan this is the history of art as it s never been told before **Agnes Martin** Agnes Martin, 2015

[Agnes Martin - Transcultural Translations](#) Mona Schieren, 2025-02-27 The work of Agnes Martin has frequently been associated with East Asian philosophies Particularly highlighting the oeuvre of this US artist Mona Schieren presents comprehensive research on the influence of Asianist aesthetics in post 1945 American art More than just historical analysis her study opens an entirely new perspective on Martin s appropriation of Asianisms by focusing on transcultural translation

and redefining Martin's work beyond Abstract Expressionism and Minimalism This offers new viewpoints on the aesthetic philosophical and visual relationships in American postwar art and takes a nuanced approach that moves beyond generalized notions of Zen in the US art world Schieren's exploration of the intentional and specific uses of Asianist aesthetics profoundly contributes to insights in international art histories and cultural translations **Silence and its Derivatives** Mahshid

Douglas E. Christie, 2022 This book is a reflection on the meaning of spiritual darkness especially those difficult places in human experience where meaning seems to elude us where we are emptied out and are compelled to dig deeper into who we truly are Douglas E Christie takes up this facet of experience in ordinary human experience but also in relation to the Christian contemplative and mystical traditions where such experience is often understood to be both painful and transformative allowing the mind and heart to open in love Agnes Martin , 2015 Agnes Martin: Her Life and Art Nancy

Princenthal, 2015-06-16 The first biography of visionary artist Agnes Martin one of the most original and influential painters of the postwar period Over the course of a career that spanned fifty years Agnes Martin's austere serene work anticipated and helped to define Minimalism even as she battled psychological crises and carved out a solitary existence in the American Southwest Martin identified with the Abstract Expressionists but her commitment to linear geometry caused her to be associated in turn with Minimalist feminist and even outsider artists She moved through some of the liveliest art communities of her time while maintaining a legendary reserve I paint with my back to the world she says both at the beginning and at the conclusion of a documentary filmed when she was in her late eighties When she died at ninety two in Taos New Mexico it is said she had not read a newspaper in half a century No substantial critical monograph exists on this acclaimed artist the recipient of two career retrospectives as well as the National Medal of the Arts who was championed by critics as diverse in their approaches as Lucy Lippard Lawrence Alloway and Rosalind Krauss Furthermore no attempt has been made to describe her extraordinary life The whole engrossing story told here for the first time Agnes Martin is essential reading for anyone interested in abstract art or the history of women artists in America **The Psychology of Artistic Creativity** Bjarne Sode
