Airbnb Cancellation Policy:

Consumer Protection and Online Travel Platforms Agnieszka Jabłonowska, 2025-04-26 Online platforms have transformed the travel sector by enhancing the availability of travel services and lowering transaction costs however they have also posed new challenges for consumer protection The book studies this transformation assesses the relevant EU acquis and explores how the legal framework could be improved to better protect consumer interests in a platform driven market The book examines the private governance mechanisms employed by leading platform operators and identifies their strengths and weaknesses Building upon these insights it then delves into the EU legal framework including the Digital Services Act and the Package Travel Directive It identifies gaps in the protection of consumers concluding contracts through online travel platforms and proposes strategies for addressing these gaps through horizontal and sectoral rules In this context the book reflects on key notions of consumer law such as information safety and performance as well as the associated role of platform providers Focusing on stand alone contracts for individual travel services this study offers new perspectives on consumer protection the digital economy and EU law It will appeal to both legal researchers and practitioners seeking to navigate digital markets and the complexities of their regulation By showing how EU law can better protect consumers in connection with online travel platforms the book offers a valuable resource for legal interpretation and future policy evolution **Law and the "Sharing Economy"** Derek McKee, Finn Makela, Teresa Scassa, 2018-11-27 Controversy shrouds sharing economy platforms It stems partially from the platforms economic impact which is felt most acutely in certain sectors Uber drivers compete with taxi drivers Airbnb hosts compete with hotels Other consequences lie elsewhere Uber is associated with a trend toward low paying precarious work whereas Airbnb is accused of exacerbating real estate speculation and raising the cost of long term rental housing While governments in some jurisdictions have attempted to rein in the platforms technology has enabled such companies to bypass conventional regulatory categories generating accusations of unfair competition as well as debates about the merits of existing regulatory regimes Indeed the platforms blur a number of familiar distinctions including personal versus commercial activity infrastructure versus content contractual autonomy versus hierarchical control These ambiguities can stymie legal regimes that rely on these distinctions as organizing principles including those relating to labour competition tax insurance information the prohibition of discrimination as well as specialized sectoral regulation This book is organized around five themes technologies of regulation regulating technology the sites of regulation local to global regulating markets and regulating labour Together the chapters offer a rich variety of insights on the regulation of the sharing economy both in terms of the traditional areas of law they bring to bear and the theoretical perspectives that inform their analysis Published in English **New Normal** Shinjini Basu, 2020-12-24 If COVID 19 is the biggest disruptor of 2020 then surely no industry could have saved itself from its after effects including the Disruptor itself Airbnb Vrbo other small vacation rental spaces listed under Booking com and Expedia are commonly known as Disruptors to the Hotel business They

have redesigned the entire hospitality space worldwide from the beginning of 2000 Not only have they played a considerable role in generating demands but also have changed the buying pattern of the hotel industry **Consumer Behaviour in Hospitality and Tourism** Saloomeh Tabari,Wei Chen,Nazan Colmekcioglu,2024-10-30 This insightful and expert led volume presents a holistic view of the latest cutting edge global research on trends and changes in consumer behaviour in hospitality and tourism with focus on the effects of the COVID 19 pandemic and its impacts on purchase patterns within the industries The COVID 19 pandemic has affected every aspect of consumer behaviour including expenses ways of shopping eating lifestyle use of technology and individual decision making processes This volume presents a carefully selected and logically structured collection of chapters which aim to identify the factors that influence these new purchase patterns and evaluate how managers retailers and marketers can develop appropriate strategies that respond to these changes in the market going forward This book explores the effects of multiple socio economic factors on individual consumption behaviours and features an array of international case studies This book is of pivotal interest for students scholars and researchers interested in consumer behaviour within the tourism and hospitality industries as well as providing a useful tool for professionals to develop appropriate strategies that meet the evolving needs of consumers in the market **Delusive Speech in the Sharing Economy** Julie Reid,2025-03-04 In this examination of how the rise of online sharing economy platforms has facilitated online crime this book shows how while marketed as trustworthy peer to peer services these platforms are highly vulnerable to misuse by scammers and are used for the dissemination of delusive speech The analysis centres around the concept of delusive speech a sub set of disinformation designed to deceive and motivate by criminal intent Looking beyond the economic and disruptive impacts of sharing economy platforms like Uber Airbnb and others this book situates these Big Tech giants as mass communication channels that are frequently misused by bad actors to distribute dangerous content globally Drawing from over 600 cases of victims lured into scams or physical danger via misleading Airbnb listings the book provides a detailed case study exposing Airbnb s failure to establish legitimate safety measures despite branding its platform as a community of trust Incorporating netnography and thematic analysis the author theorises the deceptive semiotic structure of delusive speech and evaluates practical mechanisms Airbnb could employ to prevent scams and crime on its platform With a global audience including researchers in communication and media studies digital media and media industries as well as tech journalists Silicon Valley critics policymakers and digital rights advocates this book unmasks how sharing economy giants like Airbnb contribute to an epidemic of online deception causing real world harm **Ultimate Gig** John T. Fleming,2021-03-25 Ultimate Gig will serve to answer questions and help gig providing companies and workers make decisions by informing inspiring and motivating as well as serving as a teaching tool Most importantly it will give the reader a better understanding of the most significant labor revolution in the past 100 years as to how work can be done **LAW, POLITICS & SOCIETY: The Unravelling of Malaysia and Indonesia Potentiality** Dr. Suyatno Ladiqi,Dr. Suparto Wijoyo,
